

Sanlorenzo 108

Make:	Sanlorenzo	Hull Material:	Fibreglass (GRP)
Model:	108	Draft:	1.9 m
Length:	33 m	Number of Engines:	2
Price:	EUR 3,400,000	Fuel Type:	Diesel
Year:	2009	Beam:	7.4 m
Condition:	Used		

Description

Built in GRP by the Italian yard, this SANLORENZO 108 was delivered in 2009 and refitted in 2015 and features a spacious interior designed by Franco & Anna Della Role accommodating up to 12 guests in 5 guest staterooms comprising a main deck master suite, 2 VIP suites and 2 twins each with Pullman berths on the lower deck. All guest cabins have entertainment centres, LCD television screens and en-suite bathroom facilities while separate further 2 cabins sleep 6 crewmembers aboard this yacht for sale – Viewings are highly recommended.

Built to RINA standards and commercially registered with a Maltese flag, this SANLORENZO 108 has been well maintained and benefited from a comprehensive refit in 2015. She now boasts an extensive optional inventory and truly luxurious accommodation.

Powered by twin MTU 2775 Hp Diesel engines, her cruising speed of 18 knots provides a good compromise between speed and fuel consumption.

Her spacious flybridge has an external wheelhouse, a L-shape sofa with a coffee table, a spacious dining table that can accommodate up to 14 guests and the aft sunbeds to enjoy cruising time. The hard top has an electric sun awning. Near the aft a stair comes from the main deck.

This SANLORENZO SL108 embodies the heritage styling, 'made-to-measure' customisation and innovative engineering for which the Sanlorenzo SL range is known. She also features zero-speed stabilisation system.

Please click on the « Full Specs » tab for complete details of this Flybridge Superyacht.
