Snorkeling Equipment

Anything else required by guests can be placed onboard for minimal or no cost. Please enquire.

ANTISAN is a very elegant yacht for the most demanding of guests. Ideal for both private charters, corporate charters and special events. She is certified to cruise with up to 40 guests making her the ideal choice for large groups, parties, weddings etc.

The generous dimensions of ANTISAN, with her length of 33 meters and beam of nearly 8 meters give this yacht huge internal volume and deck space usually only found on much larger yachts.

ANTISAN's interiors are neutral and fitted out elegantly with furniture in walnut and expertly matched pastel colored fabrics.

The living area has a spacious sitting room with Plasma TV and BOSE Sound System and a separate dining room.

The very spacious Master Cabin is located on the main deck with bathroom fitted with Jacuzzi. In addition there are a further three double cabins and a twin cabin with an extra pullman bunk, all with en-suite bathroom and shower, giving a total of 5 cabins for 11/12 guests. All the cabins have satellite TV, stereo system and air conditioning.

The aft deck has a large dining table seating 10/12 guests, while forward there are spacious sun pads and new Jacuzzi.

The enormous upper deck is certainly another of ANTISAN's great strengths. Here you can lie on the large sundeck or sit on the comfortable sofas in the shade of the fully fitted bimini. ANTISAN can seat large groups for formal lunches and dinners, another feature that makes her ideal for corporate charters and static events such as MIPIM, Cannes Film Festival and the Monaco Grand Prix. Up to 80/100 guests can be welcomed onboard when the yacht is in port.

ANTISAN's greatest quality has to be her crew! A fantastic team that have been together for many years, led by Captain Andrea Bianchi with over 30 years of charter experience and much loved by guests! The cuisine and service is superb and feedback from past charters has always been truly exceptional!
