1 x Watercraft Seadoo RXP-X 260
1 x Inflatable Tube
2 x Seabob Cayago F7
Snorkeling equipment
Water-ski equipment

The all-new Italyachts 34/01 motor yacht "Phoenician" is available for charter in Cannes. Boasting sporty design as well as generous amenities, this magnificent 34-metre superyacht once again represents the qualities of Italian design, thanks to the work of naval architects Cristiano Gatto and Andrea Bacigalupo.

Elegance and simplicity are the key words aboard luxury yacht Phoenician. Every detail has been considered with care: the walls are in polished walnut and white leather, while the floors have been laid with walnut and thick carpeting.

On the top deck the saloon opens onto a lounge area on the starboard side with a large sofa in deep blue and sandy tones and on the port side two tables which convert into a dining area for 8 persons. In the center, the bar covered all in leather is the ideal place to have a cool drink and enjoy the sun thanks to the electric sunroof. In the bow, there is a bright spacious double VIP cabin, bathed in natural light under panoramic overhead windows.

A staircase leads to the lower deck where there are 4 beautiful cabins. The master cabin, located in the center, is very spacious: it has huge clothes cabinets, a large sofa and a vanity, as well as big portholes providing beautiful views of the outside. A few steps separate slightly the second VIP cabin from the other cabins. Located in the bow as well, it has plenty of storage and a separate bathroom for the complete comfort of its guests. The double and twin cabins each offer the same sensation of well-being in a warm and coordinated decor.

Superyacht Phoenician is especially appealing as well for her outstanding performance: the three MTU 2400 Hp engines enable this impeccably seaworthy vessel to reach a top speed of 40 knots. With her 5 cabins and ingenious outdoor amenities, the 34m motor yacht Phoenician is an ideal yacht for charter.
