Description

The FERRETTI CUSTOM LINE NAVETTA 28 is a 93' luxury yacht, built by Custom Line (part of the Ferretti group) in Italy and delivered in 2017. Her top speed is 16 knots and she boasts a maximum cruising range of 1400nm at 10 knots with power coming from twin 1200 Hp MAN diesel engines.

This compact, yet spacious tri-deck motor yacht was designed by Zuccon International Project with Ferretti Engineering Department developing the naval architecture.

The FERRETTI CUSTOM LINE NAVETTA 28 is recognizable from the unmistakable exterior profile and the panoramic dining area with round glass sliding doors which allow for great flexibility in the use of the upper deck. The large sunbathing area is a comfortable sundeck, which is fitted with a Jacuzzi tub and awning.

On the main deck, a continuous window goes from stern to bow, while below deck there are four innovative hull windows at the level of the guest cabins, installed for the first time on the market, with "invisible" portholes glued onto the glass itself.

The real cutting-edge innovation is in the stern area. The Dual Mode Transom (DMT), a Ferretti Group patent, combines in a single system a floodable garage, a diving platform and a spacious Beach Club, the largest ever on yacht models of this size.

When guests walk into the salon, they are welcomed by a large, carefully structured open space. To Starboard you have the galley, towards the bow, you reach the area reserved to the ship owner's master stateroom with a large bathroom and walk-in wardrobe. She can comfortably accommodate up to 10 guests in 5 luxury en-suite cabins with 5 crew members in 3 additional cabins with separate access.

Belowdecks you will find 4 guest cabins, 3 of which are fitted with double beds and a twin cabin, all of them with en-suite facilities.

Comprehensively equipped with sundeck jacuzzi, a state-of-the-art A/V entertainment system, this FERRETTI CUSTOM LINE NAVETTA 28 for sale, also carries electro-hydraulic fin stabilizers for maximum comfort onboard.

Viewings are highly recommended as the yacht has low hours and finds herself in mint condition.

Please click on the « Other Details » tab for complete details of this Tri-deck Motor Yacht for Sale.
