Description

Marquis Yachts unveiled the exciting 630 SPORT YACHT to the European market back in 2012 with its international premiere at the Cannes Boat Show. The MARQUIS 630 SPORT YACHT boasts a design pedigree developed from the creative minds of the Nuvolari & Lenard design team. This breathtaking sport yacht carries the distinctive profile and integrated interior layout that makes Marquis Sport Yachts a symbol of prestige throughout the world.

Every detail within the MARQUIS 630 SPORT YACHT demonstrates ultra-premium execution quality. The craftsmanship & joinery are the finest you will find in a yacht, regardless of size. The materials selected to craft the interior and exterior features are supreme. The hull form has been designed specifically for the MARQUIS 630 SPORT YACHT.

Performance is provided by perfectly matched twin 900 Hp Volvo IPS Diesel engines coupled to joystick activated pod drives. Easy to maneuver, this flybridge yacht can comfortably and fuel-efficiently cruise at 26 knots, with top speeds exceeding 30 knots.

Entertaining is made simple with this forward-thinking design. Featuring an integrated lower helm station, galley, salon, cockpit and swim deck. Walk from area to area unimpeded by restrictive bulkhead doors, multiple steps or narrow hallways. The yacht's cockpit and swim deck bring you closer to the sea you love. The bridge is an elegant environment in which to command the vessel and witness gorgeous seascapes. The MARQUIS 630 SPORT YACHT delivers an unmatched level of quality, prestige, reliability and hospitality to its owners and those fortunate to be invited onboard.

This MARQUIS 630 SPORT YACHT accommodates in style and luxury, up to 8 guests in 4 cabins with 3 bathrooms. She carries additional crew facilities for 1.

Please click on the « Other Details » tab for complete details of this 4 Cabin version Flybridge Yacht for Sale.
