Description

The elegant, distinctive design of this PRESTIGE 550 Flybridge cruiser features an even more elongated profile and a stronger personality. Her contemporary interior design showcases innovation in the concept and layout of living spaces, incorporating clever details for enhanced comfort and products of skilled craftsmanship for a touch of luxury.

With harmony in design and assurance of power and safety, the PRESTIGE 550 FLY stands out for its interior volume with large 360-degree visibility panoramic windows.

Her practical and functional layout features a bright and airy saloon with a lower helm and deck galley, 3 cabins for 6 guests, 2 bathrooms, plus a separate crew cabin with all the comforts. A private entrance leads to the full beam master stateroom with an en-suite bathroom, queen size bed, walk-in closet, sitting table for two, and windows with ocean views. The main bathroom is spacious and includes a separate shower.

Her huge flybridge features plenty of space to sit and relax, while the well-equipped flybridge helm allows for fun and easy navigation, enhanced by highly manoeuvrable Zeus pods and power coming from twin 600 Hp Cummins diesel engines reaching top speeds of 30 knots and comfortable cruising at 24 knots. The yacht also carries full options like the Seakeeper zero-speed stabilizers and hydraulic bathing platform for easy tender launching.

This PRESTIGE 550 FLY has always been used private, never chartered and her last antifouling, anodes, hull polishing and engine service were carried-out in April 2021. The yacht is ready to go for the season and available for inspections.
