Description

The FERRETTI CUSTOM LINE NAVETTA 28 is a 28.31m compact, yet spacious luxury tri-deck motor yacht, designed by Zuccon International Project with Ferretti Engineering Department developing the naval architecture. This fine example CUSTOM LINE NAVETTA 28 for sale was built in 2015 and is available for viewings. She carries the space and feel of a Superyacht which is quite amazing given she's built below the 24m load-line length and therefore not subject to full Class regulations.

Her top speed is 16 knots and she boasts a maximum cruising range of 1400nm at 10 knots with power coming from twin 1200 Hp MAN diesel engines perfectly maintained and with low hours.

The FERRETTI CUSTOM LINE NAVETTA 28 is recognizable from the unmistakable exterior profile and the panoramic dining area with round glass sliding doors which allow for great flexibility in the use of the upper deck. The sundeck comprises a large sunbathing area and awning.

On the main deck, a continuous window goes from stern to bow, while below deck there are four innovative hull windows at the level of the guest cabins, installed for the first time on the market, with "invisible" portholes glued onto the glass itself.

The real cutting-edge innovation is in the stern area. The Dual Mode Transom (DMT), a Ferretti Group patent, combines in a single system a floodable garage, a diving platform and a spacious Beach Club, the largest ever on yacht models of this size.

When guests walk into the salon, they are welcomed by a large, carefully structured open space. To Starboard you have the galley, towards the bow, you reach the area reserved to the ship owner's master stateroom with a large bathroom and walk-in wardrobe. She can comfortably accommodate up to 11 guests in 5 luxury en-suite cabins with 5 crew members in 3 additional cabins with separate access.

Belowdecks you will find 4 guest cabins, 3 of which are fitted with double beds and a twin cabin with Pullman bed, all of them with en-suite facilities.

Comprehensively equipped with a state-of-the-art A/V entertainment system, this FERRETTI CUSTOM LINE NAVETTA 28 for sale, also carries zero-speed (underway + at anchor) stabilizers for maximum comfort.
