Description

Key feature on this SANLORENZO SL72 for sale is her full 4-cabin layout consisting of carefully chosen appointments comfortably sleeping 8 guests in 4 cabins, with 3 bathrooms. The spacious master stateroom is located mid-ship with en-suite bathroom. Going forward are two guest cabins to port and starboard, one of them a twin and the other a double, sharing a bathroom. Further forward is the VIP stateroom with en-suite bathroom. Her main saloon on the main deck has been fully refurbished recently with light contemporary furniture and a rich, sea-blue carpet. Forward accommodation is provided for 2 crew.

Throughout this SANLORENZO SL72 flybridge yacht, a Zen-like casual atmosphere can be found in her Zebrano satin wood and soft light tones to celebrate the serenity of life on the water. On the main deck, particular attention was given to creating an open living area utilizing the available space to its greatest advantage. The salon is adjacent to an open dining/lounge area. The galley is separate and enclosed for maximum privacy. The overall combined space was designed to graciously accommodate a large family or multiple guests in a casually elegant environment.

Exterior spaces are available for sunbathing, dining and socializing. Her expansive flybridge with retractable bimini, is perfectly suited to entertaining and enjoying the fresh air. A flybridge davit launches the tender at sea. Powered by twin 1360 Hp MAN Diesel engines, this SANLORENZO 72 motor yacht comfortably cruises at 24 knots and reaches 28 knots at top speed.

This fine example boasts almost full options with a customised contemporary light-coloured wood interior with several material upgrades. She is without doubt one of the finest examples on the market. She has had regular seasonal use, benefits of the care and maintenance of a professional management company, her crew and attentive owners.

Viewings are highly encouraged in the Italian Riviera, as the yacht is competitively priced and presents in "turn-key" condition for her next Owner.

Superbly maintained, with just 2 owners from new, this SANLORENZO SL72 is available to view in short notice by prior appointment.
