Description

This PERINI NAVI 40M SLOOP is the first of Perini Navi's outstanding 40-metre fast sailing cruising line - a high performance world cruising contemporary sloop designed for an experienced yachtsman driven by cutting-edge sailing technology, with aluminium hull and superstructure. Over the 2022/2023 winter period she successfully completed her 10-yearclass survey, whilst also undergoing a comprehensive mechanical refit in conjunction with an extensive interior refit of her communal guest areas.

The result of a winning collaboration with Ron Holland Design and the bespoke tailoring of Perini Navi and Finalist for six industry awards, the 2013 PERINI NAVI 40M SLOOP offers intelligent design, considerable volume and impeccably finished interiors. Outstanding performance comes courtesy of an optimised aluminium hull and superstructure, new generation Perini Navi captive reel winches, Southern Spars carbon Hybrid Modulus mast and boom and EC6+ carbon fiber rigging controlled from the trademark Perini hemi-spherical helm pod (all controllable by one person). The lifting keel allows the yacht to get much closer to shore in anchorages compared to other similar sized yachts boasting exceptional manoeuvrability and reduced draft from 9 metres to just 3.5 metres.

Easy access to the sea, tenders and an extensive array of toys comes courtesy of a fold-down transom revealing a large aft swim platform. An intelligent layout with ample relaxation, dining and watersports areas matched with optimized performance make this a spacious, comfortable, and exciting yacht for any Owner. Equipped with a powerful and reliable 670 Hp Caterpillar Diesel engine, the yacht reaches a maximum speed of 14 knots, while cruising at 10.5 knots. Her range is 3000 nautical miles at economical speed of 7 knots. On sails, she boasts an impressive total sail area nearing 900 m².

Accommodating 9 guests in total in 4 en-suite staterooms, comprising a full beam Master Suite with large Turkish Hammam steam shower, 'Therasage' massage & shiatsu machine and fully equipped gym area with Technogym cross trainer, rowing machine, free weights and exercise bars, 2 Queen-size double cabins and one further convertible twin cabin with Pullman bed.

Owner motivated to sell as he moves to a new full displacement power yacht. A reputable and successful charter yacht, this PERINI NAVI 40M SLOOP sailing yacht for sale also offers a new Owner the option of an established revenue stream if desired.
