## Description

This 36.5m ISA 120 SPORT Superyacht for sale was built to RINA and MCA standards at ISA Yacht's Ancona shipyard and features a GRP hull and superstructure with a shallow 'all-access' draft for the sheltered coves. Winner of the 'Millennium Yacht Design Award' in 2017, her exterior design by Andrea Vallicelli masterfully blends features inspired by the pure shapes of nature with details recalling luxury sport cars.

She was delivered in 2017 and is the 11th hull of this model, her decks offer multiple lounge and dining options with a covered lounge/ casual dining area on the main deck plus a large sunpad which can be covered by a sunshade. Side decks lead round to the bow where you'll find a forward-facing triple sunpad which is perfect for soaking up the sunshine. Her ample sundeck offers exceptional outdoors living while cruising, including a Jacuzzi. Styled by Francesco Guida, her light-filled interior has a fresh contemporary feel pairing a soft colour palette with white oak furniture and dark oak flooring. Oversized windows and overhead skylights flood the interior with natural light while lacquered white ceilings and stainless-steel detailing give the yacht a sleek modern vibe. Featuring an open-concept layout, the yacht's vast saloon is divided into a lounge and a formal dining area overlooking the aft terrace. Equipped with a full entertainment system, everything in the saloon including the lights, curtains and air conditioning can be controlled by iPad.

As an ideal family yacht, this ISA 120 SPORT offers accommodation for 10 guests across 5 luxurious en-suite staterooms. Her superb full-beam Master suite is located forward on the main deck and features a retractable skylight in the bedroom with steps leading down to a split-level marble bathroom with his & hers sinks and a walk-in shower. A pantograph door provides private access to the side deck and a forward sunbathing area in the bow. On the lower deck, 2 double VIP cabins and 2 twin cabins complete the accommodation. Further accommodation is provided for 6 crewmembers in 3 separate cabins. Entertainment systems by Videoworks are fitted through the entire vessel.

Propelled by triple 2400 Hp MTU Diesel engines, under extended warranty and fewer than 1,000 hours, this powerful sports yacht, also boasts triple KaMeWa jets providing a top speed of 31 knots and a comfortable cruising speed of 24 knots, coupled with Rolls Royce Dynamic Positioning for perfect manoeuvrability. Contrary to most fast yachts, when the engines and generators are running this ISA 120 SPORT yacht is whisper quiet in all cabins and one can just about hear the air conditioning.

With her 5-year class survey completed in 2022, there are no visible signs of wear anywhere to be seen, all maintenance is done by manufacturer approved contractors only and she's regularly taken out during the winter to run the engines and systems onboard. The Owner operates with an open check book to maintain and improve the vessel; no stone is left unturned, and improvements are constantly being made. A few examples include a reconfigured swim ladder allowing for safer and more comfortable access to the sea, shower doors turned around so these can be opened when the bathroom door is in use and many more on top of preventative and pro-active maintenance to assure the vessel is in the best condition achievable.

This ISA 120 SPORT redefines the term "turnkey" thanks to her excellent condition and fully equipped specification. She'll fly through a survey, she's ready for charter or private use, the next Owner can benefit from the MTU extended warranty and she's exceptionally well equipped to fit all needs.

Beautifully presented and expertly maintained by her Owner, this motor yacht SPORT is a stunning example of a modern family motor yacht. Designed to reflect your lifestyle, she offers the perfect balance between design and functionality and would make a very welcome addition to the global charter market.

## KEY FEATURES

- Always private (no charter), and EU VAT paid
- Exceptional guest area noise and vibration insulation
- 10 Guests in 5 well-appointed luxury en-suite staterooms
- Master cabin on main deck with split level bathroom

- Jacuzzi on sundeck

Decks: Teak laid

Year: 2017 (August)

Length Overall: 36.45 m (119' 6")

Waterline Length: 30.00 m (98' 4")

Beam: 7.40 m (24' 2")

Draft (full load): 1.50 m (4' 9")

Displacement: 173,000 kg (381,400 lb)

Gross Tonnage: 235 GT

Classification: RINA C ~~N~~ HULL • MACH Ych; Short Range (expiry 02/08/2027), built to MCA standard

Fag of Registry: Malta

Location: Tivat, Porto Montenegro, Montenegro

### PROPULSION

Type / Fuel: Triple Diesel on Waterjets

Main Engines: 3 x 2400 Hp (1790 kW) MTU 16V 2000 M96 @ 2450 RPM (under extended warranty)

Engine Hours: Port 880 h; Center 700 h; Starboard: 990 h (Feb. 2023)

Maximum Speed: 31 knots @ 2450 RPM

Cruising Speed: 24 knots (550 NM range)

Economical Speed: 12 knots @ 330 l/h

Gearboxes: 3 x ZF 3060

Drives: 2 x KaMeWa Waterjets 71S3; 1 x KaMeWa Waterjet 56B3 (centre)

Dynamic Positioning: ROLLS ROYCE

### TANKAGE

Total Fuel Capacity: 24,850 l (6,564 USG)

Main Tanks: 17,400 l (4,596 USG)

Day Tank: 7,450 l (1,968 USG)

Fresh Water Capacity: 4,100 l (1,069 USG)

Grey / Black Water Tanks: 3,900 l (1,030 USG)

Dirty Sludge: 670 l (176 USG)

New Oil: 140 l (36 USG)

Tender Garage: Centrally positioned with crane and lateral launching

Scooter & Toys Garages: Laterally positioned Port & Starboard towards the stern with 2 cranes and lateral launching

## **NAVIGATION & COMMUNICATION EQUIPMENT**

MTU electronic engine controls

MTU electronic engine displays

ROLLS ROYCE KaMeWa drives control

FURUNO GPS

2 x TIME ZERO and TRANSAS chartplotters

COBHAM-SAILOR weatherfax

FURUNO Navtex

FURUNO wind instrument

SAILOR 6004-Cobham AIS

FURUNO Navnet 3D radar

NAVIS AP3000 autopilot

Internet router with 30-mile antenna booster (3 x Yacht routers, D-LINK, PEPWAVE, GRANDSTREAM access points)

SAILOR VHF DSC-Cobham radiotelephones

SAILOR VHF with telephone exchange

SAILOR-Cobham GMDSS

## **ENTERTAINMENT EQUIPMENT**

VIDEOWORKS state-of-the-art entertainment system throughout

## **DOMESTIC EQUIPMENT**

Dumb Waiter: 1 x Serving galley, main saloon and sun deck

Galley:

- 2 x FRIGOBOAT fridges
- 3 x FRIGOBOAT freezers
- 1 x MIELE hob
- 1 x Extractor hood
- 1 x MIELE microwave
- 1 x MIELE oven
- 1 x MIELE dishwasher
- 1 x KENWOOD mixer 3 in 1

Crew Corridor:

- 1 x MIELE washing machine
- 1 x MIELE dryer

Master Cabin:

- 1 x FRIGONAUTICA mini fridge

Main Saloon:

- 1 x FRIGONAUTICA mini fridge
- 1 x ANGELO PO ice maker
- 1 x NESPRESSO coffee machine

Sun Deck:

- 2 x GAGGENAU grills
- 1 x GAGGENAU hot plate
- 1 x FRIGONAUTICAfridge
- 1 x ANGELO PO ice maker

## **SAFETY & SECURITY EQUIPMENT**

All equipment according to Class and flag requirements

Fire Detection: CONSILIUM + Gas alarm

Fire Suppression: FM 200 in engine room

CCTV: Remotely operable in 1 x engine room; 1 x main mast; 1 x main deck aft

## **TENDER & WATERSPORTS**

BWA 15 S tender with 40 Hp SUSUKI engine, stored in lower deck garage

2 x 66kW SEADOO Spark waverunners, stored in individual storage garage aft

3 x SEABOBS

3 x JOBE Gladiator Navtena inflatable stand-up paddleboard

1 x JOBE inflatable donut 2 pax

1 x JOBE Chaser inflatable banana 4 pax

## **MAINTENANCE HISTORY**

Full log will be made available upon accepted offer

Full time crew

All mechanical items serviced according to builder's schedule and by authorized specialists

The vessel operates with an "open check book" maintenance program

2022:

- 5 Year RINA special survey completed
- Water Jets: Replaced all hydraulic hoses, cylinder seals, hydraulic filters + oil analysis; all activity according to manufacturer recommended scheduled maintenance for 5 years has been completed with success - works performed by G-jets
- Electrical Mega test performed successfully
- Sea chests inspected and cleaned + new zinc & anodes (including 4 new butterfly valves DN200 on sea chests)
- Bridge door rubber seal replaced
- Emergency + radio batteries all replaced + main engine starting and service batteries

## **Yacht Brochure**

Available on request.

## **Inspections**

Prior appointment, please.

## **Berth**

Berth place management possible on French or Italian Riviera as well as Spain (Mainland and Balearic Islands), Montenegro, Greece and Turkey.
