Description

This SANLORENZO SL106 Motor Yacht for sale was built in 2019 by the Italian shipyard Sanlorenzo. She has a length of 106 feet (32.2 meters) for a beam of 23 feet (7.05 meters) and a draft of 6.1 feet (2 meters). She can welcome up to 11 guests in 5 well-appointed staterooms and up to 5 crewmembers in 3 cabins. This extraordinary flybridge yacht is powered by twin MTU 2637 Hp engines for a cruising speed of 22 knots and reaching a top speed of 30 knots.

This immaculate example of the popular SANLORENZO SL106 model is a sporty yet distinguished large flybridge yacht designed by Francesco Paszkowski and features stabilisers underway and at anchor for maximum guest comfort. On deck she offers several lovely areas for rest and relaxation, alfresco dining and sunbathing.

The main deck cockpit of this SANLORENZO 106 is furnished with a custom-made table and sofa, along with armchairs by Paola Lenti, creating a lounge and dining area astern.

The flybridge is composed of a dining area, complete with a custom-made grill and outdoors pantry, and a sunbathing lounge to relax, furnished with Cove sunbeds and sofa, by Paola Lenti.

A substantial garage stores a tender and water toys, leaving the decks and flybridge uncluttered for entertaining. At the bow is a seating and sunbathing area with Portuguese forward deck.

The interior decoration onboard this SANLORENZO SL106 is a very sophisticated, modern and elegant combination of teak, white lacquer, leather, and white marble throughout. These luminous areas provide an even greater sense of open space, creating a warm atmosphere onboard.

The main saloon and formal dining area on board this SANLORENZO 106 are characterized by abundance of natural light with the focal point being a stunning hydraulic drop-down balcony.

The stylistic features and colours of the main saloon are also found in the on-deck Master stateroom. Her versatile layout is completed with 2 spacious VIP cabins, and 2 twin guest cabins are found belowdecks. For ultimate privacy, all staterooms have en-suite facilities. Both guest cabins feature a convertible sliding berth system to allow for a twin or double berth arrangement, one of them with additional Pullman bed.

This SANLORENZO SL106 is also coded for charter and presented in "turnkey" condition for summer cruising, viewings and offers are highly recommended.

KEY FEATURES

- High pedigree flybridge yacht, fully equipped with long options list
- 5-cabin layout with full-width Master stateroom on the main deck and 180-degree views
- Versatile layout with accommodation for up to 11 guests, all cabins en-suite
