EXPERT'S VIEW

"The largest project in Admiral's Atos series, tri-deck M/Y CROCUS presents a unique opportunity in the under 500 GT market. Only ever used privately, she enters the market in immaculate condition. Her minimalist interior design by Gian Marco Campanino is flooded with light thanks to her floor-to-ceiling windows and her expansive exterior offers many options for relaxing and entertaining as well as a significant beach club for connecting directly with the sea".
