## Description

This 2019 PRINCESS S65 motor yacht for sale is one of the latest additions to the British yard's S Class series. This fine example is an exciting model boasting the fast, slender and dynamic features of sport bridge boats. With its wide beam, three generous living areas, Sport bridge and tender garage capable of accommodating a 3.45m tender, the PRINCESS S65 combines distinctive style and high performance with large relaxation areas. The smaller sport bridge, perfectly integrated to the sleek and sporty lines of the boat, also left room for a sunroof, just above the lower helm, which is great for entertaining when it may be too cool on the flybridge. The foredeck also includes a spacious seating area.

This PRINCESS S65 offers a spacious interior, which benefits from a galley conveniently located aft for better indoors/outdoors service, and a separate dining area facing it. The aft cockpit window disappears electrically, leaving room for an even friendlier cockpit with the galley serving as a bar.

8 Guests can be accommodated in the 4 well-appointed cabins, 3 of which have en-suite bathrooms and a crew cabin located aft of the boat is also included as an option.

With a maximum speed of 38 knots and a cruising speed in excess of 30 knots thanks to her twin 1400 Hp MAN Diesel engines, the PRINCESS S65 represents the latest evolution in hull design which combines not only excellent seakeeping but also superior efficiency in all speed regimes thanks to her lightweight design and deep-V hull which delivers astounding comfort and agility.

There's an undeniable presence about the S65 and this boat presents in impeccable condition – early viewings and offers are highly recommended.
