Description

With an overall length of 34.10m, this SANLORENZO SD112 was built in Sanlorenzo from Italy, who launched this yacht in 2014. This Tri-deck semi-displacement motor yacht boats vast volumes thanks to her gross tonnage of 266 GT.

This SANLORENZO SD112 Superyacht has a GRP hull with a GRP superstructure and teak decks, featuring exterior design by Francesco Paszkowski, naval architecture by Sanlorenzo and a custom interior design by the Owner and Sanlorenzo's design team.

8 guests are comfortably accommodated on board the Superyacht in 4 en-suite cabins comprising a main deck Owner's cabin forward, and 2 double VIPs plus a twin cabin on the lower deck. Additional accommodation on the lower deck boasts a GYM + Turkish bath, which could potentially be converted into a 5th cabin. The yacht also has accommodation for 5 crew members, including the vessel's Captain.

Her top speed is 19 knots, and she is capable of a maximum range of 2750 nautical miles when navigating at her cruise speed of 12 knots, with power coming from two 1450 Hp MTU diesel engines.

This SANLORENZO SD112 motor yacht for sale also features private Ownership since new, EU VAT paid, relatively low hours and full options including underway and zero speed stabilizers, tender garage with easy-launch system, opening balcony and Jacuzzi on the sundeck.
