Description

Built in 2003 by the famous Italian shipyard Sanlorenzo and extensively refitted in 2020/2021, this SANLORENZO 72 motor yacht for sale combines proven quality, elegant sober lines and modern design with classically clear interiors. Built in fibreglass, her hull shape offers the best comfort even at high speed at sea.

Bringing outstanding craftsmanship to the highest quality motor yachts, Sanlorenzo yachts reflect the embodiment of Italian mastery combined with advanced technology. The result is exquisite masterpieces, unique due to their elegant, classic design that outlasts fashion trends over the long term.

This very nice example of the SANLORENZO 72 model is in good condition with private Owner. She has never been chartered. No expense has been spared to keep the yacht in great condition. In addition to a year-round, professional crew on board, her recent refit has seen the entire interior décor (saloon and cabins) in modern, bright colours.

This SANLORENZO 72 flybridge yacht features a 4-cabin version with 4 complete bathrooms, comfortably accommodating 9 guests sleeping plus a forward crew cabin for 2. Indeed, the yacht impresses with 4 spacious en-suite cabins for guests as well as a separate, proportioned crew cabin for 2. The master cabin with plenty of storage space and its own bathroom extends over the full width of the vessel. In addition, there is a VIP guest cabin with a double bed in the bow area and two port and starboard twin guest cabins, each with 2 single beds (one with additional Pullman). All cabins are equipped with a separate bathroom. All interiors are decorated in light shades of cream and neutral tones.

The main deck boasts an intelligent layout with an inviting, modern saloon, separate dining area and enclosed galley. Additional access to the galley via the side deck ensures discreet crew service and maximum privacy.

The spacious flybridge invites you to relax and enjoy this luxurious yacht for exceptional cruises in the Mediterranean with family and friends.

Powered by twin 1300 Hp MAN engines, she reaches a maximum speed of 28 knots and cruises at 22 knots.

Viewings on the French Riviera can be scheduled on request.
