## Description

The AZIMUT 66 FLY raises the bar for excellence to the next level and became a new icon in its category. This model offers a unique experience of wind and light, lulled by the comfort of welcoming environments and the finest Italian materials, for a true sense of wellbeing. Like the rest of the Flybridge collection of the Italian yard, all visual barriers are reduced, allowing you to truly contemplate the sea, right before your eyes.

In the spacious sun lounging area in the bow, the spectacular view of the open sea reaches out to the horizon and beyond into infinity. Ample space and soft lounging cushions provide the ideal vantage point from which to enjoy the sun or relax in the shade of the bimini.

Everything on the AZIMUT 66 FLY is amplified: more space and unparalleled liveability offered by a 28 m<sup>2</sup> flybridge, the largest in its category. Three separate areas make this the ideal place to enjoy unique experiences in complete freedom and privacy. The sofas in the aft lounge area on the flybridge, designed exclusively for Azimut Yachts and inspired by the latest home design trends. Upholstered in soft fabrics created specifically for use in marine environments, they offer comfort at any time of day.

Relaxing in the warmth and flowing contours of the saloon is a truly comforting experience after a long day at sea. Here, relaxing and dining come together in perfect harmony thanks to the practical, warm and hospitable American open galley.

Design, technology and materials are at the service of the safety and comfort of the yacht Owners and their guests, in the pursuit of a high-quality and unique experience at sea. Elegance, space, agility, and light flooding through large windows are found everywhere on the boat.

The beam-wide Owner's cabin amidships has panoramic windows, plenty of storage space and a private dinette, guaranteeing total comfort and relaxation. The night area in the AZIMUT 66 FLY is surprisingly generous with space, offering comfortable accommodation for 8 guests in 4 cabins served by 3 bathrooms with separate showers. In the bow, the VIP cabin offers guests the utmost in comfort and liveability, with big windows, fine detailing, and extensive storage space.

Powered by twin 1150 Hp CAT Diesel engines with low hours, the yacht reaches a maximum speed of 32 knots and comfortably cruises at 28 knots for a range of 290 nautical miles.

Built in 2019, this beautiful example of the much sought after AZIMUT 66 FLY for sale, carries loads of options including hard top, four cabin layout with light oak interior finish. With her beautiful lines, comprehensive list of options, spacious and comfortable interior layout, she is perfect for extended family cruising.

### KEY FEATURES

## Full Specs

### MAIN CHARACTERISTICS

Builder: Azimut Yachts (Italy)

Model: Azimut 66 Fly

Hull Number: 085

Exterior Styling & Concept: Stefano Righini

Interior Designer: Azimut Yachts

Type: Motor Yacht / Flybridge Yacht

Keel: V-shape with angle of deadrise 17° aft

Hull Type: Planing

Hull Material: GRP

Superstructure Material: GRP + Carbon Fiber

Decks: Teak

Length Overall: 20.80 m (68' 3")

Hull Length: 20.33 m (66' 8")

Maximum Beam: 5.23 m (17' 2")

Draft: 1.60 m (5' 3")

Height Above Waterline: 5.57 m (18' 3")

Displacement: 41,650 kgs (91,823 lbs)

Dry Displacement: 33,070 kgs (72,907 lbs)

Classification: RINA Pleasure Yacht CE Class B

Flag of Registry: Delaware, USA

Location: Athens, Greece

### PROPULSION

Type / Fuel: Twin Diesel

Main Engines: 2 x 1150 Hp (847 kW) CATERPILLAR C18 ACERT

Engine Hours: 533 h (Oct. 2023)

Maximum Speed: 32 knots

Cruise Speed: 28 knots

Range: 290 NM

Gearboxes: 2 x ZF 500-1A, reduction ratio 1:1.964

Propellers: 2 x 5-blades

Shafts: 2 x AQUAMET 17, diameter 3", length 3505mm

### TANKAGE

Fuel Capacity: 3,900 l (1,030 US Gals.)

Fresh Water Capacity: 1,000 l (264 US Gals.)

Holding Tank Capacity: 350 l (92.5 US Gals.)

Grey Water Capacity: 200 l (52.8 US Gals.)

## **ACCOMMODATION**

8 Guests in 4 cabins

Guest Cabin Configuration:

- Full beam Owner's stateroom amidships with double bed on port side, 2 poufs with central table, wardrobe, closet and private bathroom
- VIP cabin forward with double bed, closets and private bathroom
- Port cabin with bunk beds and closet
- Starboard twin guest stateroom 2 single beds, closet and private bathroom usable as day bathroom and guest stateroom to port

Main deck with main saloon, dinette, fully equipped open galley and wheelhouse

Crew Accommodation:

- Crew cabin aft reached by access from cockpit with 2 single beds and private bathroom with shower

Maximum Passenger Capacity: 14

## **OTHER MAIN EQUIPMENT**

Rudders: Steel TA60550/24 T-P

Steering: Electro-hydraulic steering system SEASTAR EPS

Bow Thruster: Electric, power 10 kW

Stabilizer: SEAKEEPER NG16 gyroscopic zero speed stabilizer

Bilge System:

- 3 x Automatic motor pumps 24V, flow rate 224 l/min, in the cabin area, owner's cabin, engine room and auxiliary sites
- 1 x SUPERSUB Smart 650 electric bilge 24V (24 l/min - 2,040 l/h, with 1m head)
- 2 x Manual pumps in cockpit and Owner's cabin
- 3-Way valve on engine cooling (emergency intake in engine room connected to one of the two engine seawater intakes)
- 3 x Bilge level alarms

Fire Extinguishing System:

- 12 kg Powder extinguisher with spray nozzles above engines and marine gears

Fuel System:

- 2 x Steel tanks with a capacity of 1,950 liters
- Electronic level gage for port diesel tank on wheelhouse display
- Optical diesel level gage on starboard tank
- Refuelling plug on each sidewalk, and vents on the bulwarks
- 2 x Single filters

Fresh Water System:

- 1000-liter stainless steel tank beneath the fore tray, towards the middle of the boat
- Filling plug on starboard sidewalk
- Level sensor with electronic gage on wheelhouse display
- 80-Liter water heater 220V -1200W
- Pressure pump
- Hot/cold water in all heads, galley and platform shower
- Cold water in engine room, cockpit and flybridge

- Fresh water toilet flushing

#### Gray Water System:

- Water drainage into tank (200-liter capacity) in fore area
- Level sensor with automatic pump and alarm control from the wheelhouse
- Water drainage via manifolds 24V membrane pump
- Additional tank (9-liter capacity) in polyethylene beneath the crew cabin and beneath the Owner's head floor
- Level sensor with automatic pump activation

#### Black Water System:

- 1 x Tank with 350-liter capacity in fore area
- Level sensor - tank drainage is controlled manually from the wheelhouse
- Water drainage via 24V membrane pump
- Vent on bulwark, with anti-odor filter
- Suction point from the shore, on port sidewalk

#### Seawater System:

- Engine cooling with 2 dynamic 3" seawater intakes with filter and valves
- Generator cooling with 1 seawater intake (1") with filter and valve - submerged outlet
- Conditioner cooling with 1 dynamic seawater intake (1") with filter and valve - submerged outlet
- Chain wash pump with 1 dynamic seawater intake (1") with valve

#### Engine Room:

- Access from door in cockpit
- Bilge drainage pump through engines cooling circuit

#### Exhausts:

- Submerged discharge system with minimum external bypass
- Stainless-steel exhaust manifolds
- Structural mufflers in GRP

#### Ventilation:

- Head air extraction system via 24V gas extractors with control in head
- 2 x Fans and 2 extractors in engine room with grating on sidewalks

#### Other Systems:

- 24V electro-hydraulic pump for trim tabs
- 24V electro-hydraulic pump for gangway and bathing platform

## **ELECTRIC SYSTEM**

Electric Circuits: 220V AC - 50Hz / 24V DC, 12V DC

Shore Power Plugs: 2 x 230V, 50Hz power sockets

The AC power sources are controlled from the main electric panel in the crew cabin, with a digital multimeter for the 230V network

The power sources are protected by power circuit breakers and their introduction in the network is made by remote control switches

Batteries: 10 x batteries 90Ah 24V

- 6 x For services
- 4 x For engine start-up

- 1 x Battery GM 50Ah 12V for generator
- 1 x Battery GM 50Ah 12V for bow thruster

#### Battery Chargers:

- 1 x Battery charger 12V 10A for generators
- 1 x Battery charger 24V 80A for service and start-up batteries

Utilities - Electric Panels: The main electric panels are installed in the crew cabin (main panel) and dinette. Junction boxes are installed in all areas.

#### Lights and Sockets:

- 24V lighting in LED with spotlights on ceiling, emergency lighting, and ceiling lights
- 230V AC sockets for main lighting
- 12V DC sockets cigarette lighter type

#### Air Conditioning System:

- CONDARIA cooling system for air conditioning (water system), 92,000 BTU
- Single air compressor in engine room, on port side of generator, with electric panel facing towards the middle of the boat
- 3 x AP8 fancoils in Owner, wheelhouse and windscreen
- 6 x AP5 fancoils in VIP, crew, saloon
- AP3 fancoil in Starboard guest cabin
- AP1 fancoil in Port guest cabin
- Control panel for each area

Generator: ONAN 19 kW genset (1585 h Oct. 2023)

## **STANDARD EQUIPMENT**

#### Cockpit and Platform:

- Access to cockpit from platform via GRP ladder on port and starboard side
- Cleats on mooring station
- 2 x Stainless-steel chocks
- Saloon door, 3 stainless-steel panels (2 sliding) in tempered glass
- "C"-shaped cockpit bench with cushions and locker, for 5 people
- Faux leather cockpit bench outdoor cushions
- Lockers and side compartments in stairs leading to flybridge
- Engine room access
- Cockpit and platform teak decking
- Handrail for access to flybridge stairs
- LED lighting spotlights on ceiling
- Loudspeakers on cockpit ceiling
- Flybridge support posts on sides of cockpit bench
- Emergency panel-battery cut-out with controls for service, engine and generator battery cut-out
- Activation of engine room fire extinguishing system under port mooring station
- Scuppers with stainless-steel grids and "Azimut" logo
- 2 x Cockpit gates
- Lift platform with teak covering

- Rubber rub-rail with stainless-steel insert
- Access to crew cabin with watertight door
- LED lighting on bathing platform
- Shower with hot and cold mixer tap
- 3-Section manual swimming ladder on port side

#### Bow / Sidewalks:

- 2000W anchor winch
- Anchor winch controls
- Chain locker with drainage and fender housing
- Chain washing pump
- DELTA 40kg galvanized steel anchor
- 75m high-resistance gaged chain, diameter 10mm
- Stainless-steel bow roller for anchor
- Non-slip floor
- Tempered glass windows glued to the surrounding structure without any metal frame
- Electric sliding rectangular side windows in bow
- 2 x Wipers for bow windscreen
- 2 x Stainless-steel cleats
- Stainless-steel anchor line anti-rubbing protection
- Hatchway (emergency exit)
- 2 x Bow grabrails for sunbed cushions
- Side net window and windscreen covers
- Bow sunbed cushions and cup holders
- Bow sofa in GRP complete with lockers and cushions
- LED lighting along base of sofa
- Access via door on both port and starboard sides (with ADV option)
- Stainless-steel pulpit on side washboard
- Chocks on the washboard
- Rubber rub-rail with stainless-steel insert
- Refuelling plug and fresh water refill on sidewalks
- Black water tank suction point on port sidewalk
- Fresh water tank cable socket on starboard sidewalk
- 2 x Midway cleats per side

#### Flybridge:

- Accessed from the port side of the cockpit via a GRP stairway with teak steps
- Smokey Plexiglass flybridge screen with stainless steel frame
- Helm seat for 1 person with manual depth/height adjustment
- Fore sundeck with cushions
- Seating for up to 8 people on starboard side, with under-seat locker
- Table for up to 8 people, with teak top
- Roll bar in GRP with mirror windows on the sides
- Pilot Console: RAYMARINE Gold Package

- Flybridge unit with refrigerator and barbecue
- Navigation lights
- Bow manual searchlight
- Flybridge dashboard consisting of:
  - Engine displays
  - Gold series electronic navigation instruments
  - Engine start-up controls
  - Bow anchor winch controls
  - Horn control
  - Bow thruster control
  - 12V socket
  - Chain meter counter
  - Engine throttles
  - Scupper with stainless-steel grating and logo
  - "66" logos, placed externally on the radar arch glass, one on each side
  - "Azimut" logos, placed externally on the radar arch glass, one on each side

#### Saloon:

- Carpeted floor with wooden edge around stairs leading to dinette
- 2 x Sofas: 4-seater sofa on port side, 4-seater sofa on starboard side with pouf and storage underneath
- Radio or Hi-Fi on left column
- TV cabinet behind starboard sofa
- Provision for TV system
- Roman blinds on side windows
- Saloon door blind
- LED strip lighting on ceiling
- Port column with open glass-holder compartment
- Sockets and switches
- Divider shelf with cupboard underneath

#### Dinette:

- Carpeted floor
- Electric panel
- "C"-shaped sofa for 5 people on starboard side
- Rectangular table
- Central below deck access ladder with glass risers with carpeted illuminated steps
- Table lighting on ceiling
- Roman blinds on side windows

#### Galley:

- Wooden floor
- Silestone worktop
- Stainless-steel sink with mixer tap
- Fixed LED spotlights on varnished ceiling panel, and fixed spotlights under the wall unit between the galley and the saloon

- Ceramic glass 4-hob range and silicone potholder
- Extractor hood with active carbon filters
- Microwave oven + grill
- Upright refrigerator/freezer
- Sockets

#### Wheelhouse:

- Pilot Console: RAYMARINE Gold Package
- 7" Engine control display
- Engine throttles
- Searchlight
- Helm seat with electric depth/height adjustment
- Adjustable rudder
- Chain meter counter
- Magnetic compass
- 12V socket
- Electric steering system control display
- Controls for:
  - Engine start-up
  - Bow anchor winch activation
  - Audible alarm
  - Light activation
  - Windshield washer activation
  - Opening of side windows (port and starboard)
  - Chain washing pump
  - Grabrails for stairway

#### Corridor to Access Below-deck Area:

- Carpeted floor
- Lighting on the steps, LED spotlights on corridor ceiling
- Grabrail

#### Owner's Cabin (midship):

- Folding double bed with headboard on port bulwark
- Mattress, pillows and bedspread
- Underbed storage
- Dressing table with sofas on starboard side, with storage underneath
- Open wardrobe with full-height hanger bar and shelves
- Rectangular windows
- 1 x Openable porthole on each side
- Provision for TV system
- Storage with drawers under TV
- Carpeted floor
- Grabrail
- Sockets and switches

- Reading lights
- Bedside tables with storage space
- Wooden Venetian blinds
- Starboard side wardrobe with shelves

Owner's Bathroom:

- TECMA toilet with 3 drawers behind
- ABS washbasin with chrome mixer tap and marble head top
- Cabinet with brown or cream varnished finish (for the other heads too), with large drawer
- Shower with thermostatic mixer tap
- Shower enclosure with glass door, seat and laminated wood floor
- Mirrors
- Wooden flooring
- LED spotlights
- Openable porthole with Venetian blinds
- Air extractor in the shower enclosure
- Sockets and switches
- Wall units
- Head accessories

Twin Guest Cabin (starboard side):

- 2 x Fixed, parallel single beds
- Mattresses, pillows and bedspreads
- Central bedside table
- Wardrobe with hanger bar and shelves
- 2 x Openable round portholes
- 2 x LED wall lights
- Reading lights
- LED lighting with ceiling spotlights
- Carpeted floor

Guest Cabin (port side):

- 2 x Bunk beds
- Mattresses, pillows and bedspreads
- Central bedside table
- Wardrobe with hanger bar and shelves
- 1 x Openable round porthole
- 2 x LED wall lights
- LED lighting with ceiling spotlights
- Carpeted floor

Guest Bathroom:

- Direct access from starboard guest cabin and from corridor
- TECMA toilet
- ABS washbasin with chrome mixer tap and marble head top
- Cabinet under washbasin with towel rail

- Wall unit with 2 sliding mirror panels
- Shower with mixer tap
- Shower enclosure with glass door
- Wooden flooring
- LED spotlights
- Openable porthole with Venetian blind
- Air extractor in the shower enclosure
- Laminated surfaces in head
- Head accessories

#### VIP Cabin (forward):

- Located towards the bow of the below deck area, it is accessed via a central corridor
- Folding double bed with storage underneath and storage drawer
- Mattress, pillows and bedspread
- 2 x Wardrobes (one on each side) with cedar interior
- 4 x Wall units (two per side) with folding panel above the windows
- LED strip on ceiling and behind curtain pelmet
- Reading lights
- 3 x LED spotlights on ceiling
- 1 x Openable porthole on each side
- Panoramic windows on both sides
- Emergency hatchway for accessing the fore sunbed area
- Provision for TV system
- Carpeted floor

#### VIP Bathroom:

- TECMA toilet
- ABS washbasin with chrome mixer tap and marble head top
- Cabinet with varnished finish, with large drawer
- Shower with thermostatic mixer tap
- Shower enclosure flat glass door
- Mirrors
- Wooden flooring
- LED spotlights
- Openable porthole with Venetian blinds
- Air extractor in the shower enclosure
- Wall units
- Head accessories

#### Crew Cabin:

- Access from watertight door on platform
- 2 x Single beds
- Mattresses, pillows and bedspreads
- Wardrobes, wall units and under-bed lockers
- 1 x Oval porthole on starboard side

- GRP non-slip floor
- Fabric curtain for portlight

Crew Head:

- Access from crew cabin
- TECMA toilet
- 1 x Oval porthole
- Washbasin with chrome mixer tap with extractable shower head
- Shower with transparent Plexiglass door
- Head accessories

**OPTIONAL EXTRAS**

Advanced Package:

- Fresh water connection
- Additional searchlight control
- Chain counter at helm
- CGT/REXROTH joystick
- Cockpit winches
- RACOR filter for genset
- Watermaker pre-installation
- Seafire system
- Double main engine RACOR filters
- MIELE galley equipment
- ONAN 19 kW genset (1585 h Oct. 2023)
- Air-conditioning system CONDARIA 92,000 BTU

Other Extras:

- Mooring winches aft
- Double lights flybridge aft
- 5 x Underwater hull lights
- SEAKEEPER NG16 gyroscopic zero speed stabilizer
- RAYMARINE Gold package
- RAYMARINE AIS 650
- Washing machine
- Dishwasher
- TV in saloon with up & down system
- Refrigerator and freezer finished in inox
- Light dimmer
- Co-pilot helm seat at lower helm
- Saloon sofa converts to bed
- Flybridge deck in teak
- Side decks in teak
- American bar on starboard side
- Hard top

- OPACMARE telescopic gangway 2.86m
- Co-pilot seat at flybridge helm
