Description

The 44.8m LOGICA 147 is a Tri-deck steel and aluminium luxury Superyacht launched in 2015. The yacht's builder is Logica Yachts from Italy, featuring Pierluigi naval architecture by Pierluigi Ausonio (PLANA), exterior design by Luca Brenta and interior design by Acube and Martin Kemp. This motor yacht has a wide beam of 9m, a draught of 2.45m and a huge volume of 478 GT.

This LOGICA 147 underwent an interior refit in 2018 and benefitted from an exterior refit with additional modifications in 2022/23 which included an extension to the upper deck, a new flybridge, and a repaint of the superstructure.

This LOGICA 147 boasts a striking aesthetic and a dynamic profile with a stylish use of glass. She is an excellent yacht for entertaining guests and boasts many lifestyle amenities, including an impressively large 5.5m foredeck pool with Jacuzzi and jet system, spacious decks with optional shade and multiple areas for al-fresco dining, and a sundeck with standing bar counter. Other highlights include state of the art lightning and music equipment, a beach club with gym equipment and adjacent steam room.

The interior adopts a Miami beach style, with brushed marble and Loro Piana lined walls throughout. Her huge main deck saloon is reminiscent of a penthouse apartment, and is accented by the yacht's modern, architectural exterior.

Up to 12 + 1 guests can be comfortably accommodated in 6 en-suite staterooms on board the LOGICA 147 Superyacht, with the Owner's suite located forward on the main deck, and 4 doubles and a twin on the lower deck. Separate quarters are provided for a complement of 9 crew members.

This LOGICA 147 motor yacht for sale is powered by twin 1400 Hp MAN Diesel engines, which give her a top speed of 17 knots, a cruise speed of 10 knots and an economical speed of 10 knots for a total range of 6500 nautical miles. With this transatlantic range, the yacht also carries all modern features of Superyachts including at-anchor stabilisers.

Sold with (or without) a 45ft Wally chase boat, the yacht also has ample stowage space for a wide array of water toys and a midships tender garage.

This LOGICA 147 is a standout Superyacht with enormous appeal, ideal for charter or family use.

REFIT HISTORY

Winter 2017/18:

- Major interior refit by Michael NIEDERER / St. CORONA interiors combining bright colours with the mainly white, typical look of a Miami penthouse: cool and minimalistic, concrete resin flooring and freestanding furniture.
- 300m of linen by LORO PIANA were used, with white-grey broken natural stone and large mirrored surfaces. The central staircase was changed into marble, a black-lit onyx bar on the upper deck was incorporated, with colour changing LED lights, including two dance floors with integrated laser and a 35,000-watt music system installed

Winter 2021/22:

- Lengthening of the upper deck and partially new teak deck
- Main galley upgrade with new fridges / freezers

Winter 2022/23:

- RINA 5-year Class survey including shafts pulled, hull thickness checks, etc...
- Extension of sun deck, new teak, new handrail retro illuminated
- Flybridge with new hard top, incorporating a fully equipped bar
- Paint all external ceilings
- New paint on superstructure
- Port side generator overhaul
- Annual engine service

Yacht Brochure
