Description

This stunning MONTE CARLO MC6 is one of the flagship models in the Monte Carlo Yachts range. Elected boat of the year in the ‘Flybridge up to 60ft’ category at the ‘Motor Boat Awards’, the MC6 has carved itself a niche through style, services and a top quality build yacht.

Externally, this flybridge cruiser boasts a vast cockpit, a huge flybridge and a superb bow deck with electric deckchair.

Powered by twin 600 Hp Cummins Diesel engines on Zeus pods with joystick controls, she reaches a top speed of 27 knots, while comfortably cruising at 22 knots. This reliable and efficient engine allows you to control this MC6 with your fingertips using the joystick.

This MONTE CARLO MC6 is fully equipped including a bow and stern thrusters, third control station in the cockpit, hydraulic bathing platform, and also carries a Seadoo Spark jet-ski and sizeable inflatable tender with Torquedo engine.

The equipment is of course very complete with reversible Cruisair chiller air conditioning, Simrad electronics touchscreen with three 15-inch screens with GPS/plotter, autopilot, radar, and VHF. The engines interface is managed by Smartcraft and reported on the Simrad screens.

The convenient location of the galley area, right at the entrance of the saloon, also features full appliances such as a large fridge, drawer freezer, wine cellar and multifunction oven. A washing machine/dryer is fitted in the front passageway.

The MONTE CARLO MC6 features a large, very bright living room with pop-up TV and a central wheelhouse on the main deck. The night area offers 3 en-suite cabins, all very spacious comprising a beam-wide Master, a forward VIP and starboard twin (convertible to double). This boat is also equipped with a sailor's cabin with separate entrance from the transom.

Hi-Fi TV system in all cabins and satellite TV reception are also installed.

Please click on the « Other Details » tab for complete specifications of this Flybridge Cruiser for Sale.

DECK EQUIPMENT

Radar support in stainless steel
Navigation lights
LED courtesy lights in gangway, steps and stern deck
Bow fitting
Electric windlass 24V, Power 2000W
Remote control in mooring locker + windlass control from wheelhouse and flying bridge steering stations
2 x Mooring lockers
2 x Forward cleats, 2 central and 4 aft in stainless steel
6 x Stainless steel fairleads to aft of cockpit
Stainless steel half-open pulpit with teak step and hand rail
Stainless steel pulpit surrounding all flybridge
2 x Stainless steel handrails on access to side decks steps
1 x Hand rail on aft transom
4 x Cup holders
1 x Opening deck hatch, 1 fixed hatch
Storage locker
Pump for deck washing
Hydraulic telescopic gangway
Retractable ladder in swimming platform with solid wood steps and stainless steel handrails
Teak slatted swim platform

COCKPIT

Gate access (starboard)
6-Persons external saloon
Upholstery in PVC Diamante Snow, piping Diamante Espresso, open cell foam
Access hatch to engine compartment
Liferaft compartment or storage under cockpit floor
Access door for storage and crew cabin
Cockpit shower, with hot/cold water mixer tap
Access stairway to flybridge
Direct and indirect lighting LED
Teak floor
Teak side decks
Trunk for shoes and fenders
Cockpit table
Cockpit cushions

FLYBRIDGE

Grey tinted windscreen, surrounded by stainless steel frame
Steering console with: Steering compass - Steering wheel - Electrical engine controls - Rev counter - Fuel gauge – Joystick
Controls for windlass, flaps, lighting, navigation lights, bilge pumps

Adjustable pilot seat
2 x Cupholders & stowage
Two seater copilot bench to port
Flybridge external saloon, 8 people
Natural Solid wood folding table
Aft sunbathing (3 people)
Wetbar with sink hot/cold, place for electric grill, glasses storage, Corian "Sand" countertop, bin
Radar support, aerials and lights in black lacquered polyester
Courtesy lighting (LED)
Exterior upholstery PVC Diamante Snow, piping Diamante Espresso, open cell foam

INTERIOR

Choice of woodwork: Alpi brushed oak
Interior decor matching the choice of woodwork
Slatted teak floor in galley (standard)
Ivory carpet in saloon and cabins
Teak head floors or Corian colour "Bone"

WHEELHOUSE

Headroom: 1.95m (6’ 5”)
Mirror tinted glass bay window and black painted frame with full opening (1 opening and 2 folding), curtain "Cream"

Direct and indirect lighting LED
Port electric switchboard in companionway (24V/220V)

STEERING STATION

One-piece windscreen, in non-tinted laminated glass
1 x Central windscreen wiper with washer
Demisting system
Opening porthole (starboard)
Pilot bench and double co-pilot bench, or "Seagull Besenzoni" pilot seat with integrated engine controls
Storage drawer
Dashboard with "Sand" metallic paint
Vessel view 4” (engine data)
Flaps control
CUMMINS throttle & controls
Joystick "ZEUS"
Steering compass
Functional controls for Wiper, Demister, Fog horn, Navigation lights, Windlass
Valet tray
Space for 2 multifunction 15” screens
1 x 12V socket

SALOON

Mirror tinted side windows, 2 openings (port and starboard)
6-Seater sofa upholstered in "Mimic" fabric
2-Seater facing sofa, upholstery "Mimic" fabric

Electrically height-adjustable table with "Brown" faux leather top
Location for 40” LED television with pop-up mechanism, audio & DVD player and BOSE speakers,
1 x 220V socket

GALLEY

Galley-type layout
Stainless steel sink with mixer tap
3-Burner induction hob
Extractor hood
Corian countertop
2 x Drawer fridges 75l (20 US Gal standard)
Freezer
Cutlery storage
5 x Storage cupboards
1 x Storage drawer
Bin
Lacquered finished furniture
Grill combined oven microwave
2 x 220V sockets
Mid-height storage

OWNER’S CABIN (Amidships)

Headroom: 1.92m - 2.03m (6’ 4” - 6’ 8”)
Full beam stateroom
Double berth 1.95m x 1.58m (6’ 5” x 5’ 2”)
Marine mattress with bed base
Padded headboard
2 x Bedside tables with drawers and reading lights
2 x Illuminated wardrobes with double closets and shelves
Direct and indirect lighting LED
2 x 220V sockets
2 x Panoramic opening porthole-fitted windows with blinds, "Cream" blackout curtain
2 x Illuminated wardrobes with hanging locker and shelving
4 x Storage drawers (port)
Mirror
1 x USB charging socket

OWNER’S HEAD COMPARTMENT

Headroom: 1.95m - 2.05m (6’ 5” - 6’ 9”)
Vacuflush electric toilet + Shared rigid tank 208l (55 US Gal)
Italian shower with rain shower column
Basin with mixer tap, sink in Corian "Bone"
Mirror and storage space
Automatic shower water drainage (by gravity, towards a reserve plug 50l / 13 US Gal)
1 x 220V socket
Opening hull porthole with "Cream" blackout blinds
1 x Towel rail

VIP CABIN (Forward)

Headroom: 2.02m (6’ 8”)

Double berth 1.98m x 1.40m (6’ 6” x 4’ 7”)

Marine mattress with bed base

Padded headboard

4 x Opening hull portholes, with blinds, "Cream" blackout curtain

Long natural light wells, with opening deck hatch, fitted blinds and mosquito screen

2 x Illuminated wardrobes with hanging locker and shelving

Storage

2 x 220V sockets

Direct and indirect lighting LED

1 x USB charging socket

VIP HEAD COMPARTMENT

Headroom: 1.95m - 2.05m (6’ 5” - 6’ 9”)

Vacuflush electric toilet + Shared rigid tank 208l (40 US Gal)

Separated shower stall with door

Basin with mixer tap, sink in Corian "Bone"

Shower with mixer tap

Mirror and storage space

Automatic shower water drainage (by gravity, towards a reserve plug 50l / 13 US Gal)

Opening hull porthole

1 x Towel rail

1 x 220V socket

GUEST CABIN (Starboard side)

Headroom: 1.87m - 2.02m (6’ 2” - 6’ 8”)

2 x Sliding beds convertible to double bed: 1.91m x 0.74m (6’ 3” x 2’ 5”) each

Marine mattresses

Padded headboards

2 x Opening hull portholes, with blinds, "Cream" blackout curtain

Bedside tables with drawers and reading lights

1 x 220V socket

Hanging locker with lighting

1 x USB charging socket

GUESTS HEAD

Headroom: 1.94m - 2.05m (6’ 5” - 6’ 9”)

Electric day toilet Vacuflush + Shared rigid tank

Separated shower stall with door

Basin with mixer tap, sink in Corian "Bone"

Shower with mixer tap

Mirror and storage space

Automatic shower water drainage

Opening hull porthole

1 x Towel rail

1 x 220V socket

CREW CABIN (accessible from the swim platform)

Headroom: 1.63m (5’ 4”)
Single bed 1.97m x 0.75m (6’ 6” x 2’ 6”)
Shower
VacuFlush Toilet
Basin with hot and cold water mixer tap under pressure
1 x Fixed porthole + 1 opening porthole
Storage for fenders

OPTIONAL EQUIPMENT FITTED

Stern thruster
Bow & stern thrusters dual station controls
3rd Control station in cockpit
Hydraulic swim platform (max. load 350 kg)
2 x Mooring winches in the cockpit
Dinghy cradle integrated to the platform
Foredeck and catwalks in teak
Electric long chair on foredeck
Satellite TV antenna
TV + DVD (40”) in the saloon
TV + DVD (32”) in the Owner’s cabin
