Description

Brand-new 2024 11.61m ASTONDOA 377 COUPÉ day cruiser for sale featuring **immediate delivery**. The ASTONDOA 377 COUPÉ is clearly an eye-catcher that attracts a lot of attention in any harbour. Anyone looking for a day-boat or Superyacht tender with excellent workmanship and outstanding handling characteristics should have this Spanish diva on their list.

This new innovative model, of smaller length, is part of the "Day-Boat" segment and its version as a Superyacht tender or chase-boat is undoubtedly equally attractive, with an aesthetic based on sporty and very elegant lines that inherit the luxurious qualities of Astondoa, adapted to the new trends and tastes of international customers. With a length of 11.61 meters (38' 1") and an inverted bow, characteristic of the Coupé series, the ASTONDOA 377 COUPÉ is a modern, aggressive, sporty and at the same time very elegant boat. Its characteristic stern and the unique freeboards that reveal the collaboration of the yard with designers of the automotive sector and supercars for this Coupé series, does not go unnoticed.

Its deck with integral walk-around on all its perimeter at the same level, has three different areas in its distribution. With sundecks at the bow and stern and a third area to midships, which joins the galley areas and refrigerators with the triple set of sports seats facing a modern console, with harmonic and modern instrumentation of multifunction touch screens, result a comfortable, dynamic, practical and very well distributed space.

The entire perimeter is crowned by a flush handrail inside the hull very easy to grab, although certainly the height of the inner freeboard from the floor of the deck is generous for its depth infusing total confidence to walk-through even while navigating.

Its interior distribution consists of a lounge / Master cabin area with its refrigerator and audio / TV system, which is completed with a generous bathroom, extraordinary in this boat length, and a second twin cabin for two guests.

With immediate delivery, this ASTONDOA 377 COUPÉ for sale, boasts a joystick-manoeuvred propulsion consisting of twin 320 Hp Volvo diesel engines on stern drives, providing 36 knots at full speed and 28 knots at cruise speed.

Please click on the « Other Details » tab for complete specifications of this Motorboat for Sale.

Note: This is a brand-new Yacht, under full Manufacturer's warranty.

Next Delivery: Immediate.
