## Description

Winner of 'Custom Yacht' at the 2023 Motor Boat Awards during boot Düsseldorf, the SUNSEEKER 90 OCEAN motor yacht breaks new boundaries to create a spectacular luxury yacht that boasts a remarkable 20% increase in overall volume and nearly 30% more deck space, thanks not only to her substantial beam but also her upright bow that brings interior volume forward. Her upright stem that creates a brand new Sunseeker silhouette with seductive lines, cutting through the water.

The SUNSEEKER 90 OCEAN 'crossover yacht' is under the 24 meter load-line length and celebrates the very best that the British shipyard has to offer, recognising excellence in design, innovation and performance.

A very innovative stern and the vast space on the main deck characterize this modern flybridge yacht. Her spacious beach club, measuring over 6m x 4m is perfect for family and friends to socialise close to the water, perhaps utilising the built-in BBQ. The Bezenzoni 'Ladder Gangway' allows guests to effortlessly access the watersports on offer, after which they will be keen to use the oversized 'rain shower' before relaxing on the new transformational X-TEND™ sunbeds.

On the stern, the hydraulic platform provides ample space to house and launch a Jet Ski, a Williams 435 SportJet and two SeaBobs, housed in dedicated self-draining lockers. The flybridge is a staggering 25% larger than a comparable luxury yacht, and owners can select an infinity spa pool and sideboard with a second integrated BBQ. A wet bar with stainless steel sink, drawer fridges, ice maker, and glass bar top is also available to make the most of this popular entertainment area. The carbon fibre hardtop with a full-width retractable canopy provides the shade for exceptionally generous seating, sunbathing, lounging and dining area, along with the sizeable flybridge wetbar and panoramic helm station.

Comfortably accommodating 8 guests in 4 en-suite staterooms, comprising a beam-wide Master suite, a forward VIP and two twins, this SUNSEEKER 90 OCEAN yacht for sale is finished with exquisite taste, with a comprehensive list of options.

Powered by twin 1900 Hp MAN V12 Diesel engines on shaft drives, she reaches a top speed of 27 knots, a cruising speed of 24 knots, while she has a significant range of 1100 nautical miles at her economical speed of 12 knots.

With a keen seller, early viewings and offers are highly encouraged.

### KEY FEATURES

- Bow & stern thrusters
- Twin windlass arrangement
- Zero speed and underway fin stabilizers
- Vessel designed under the 24 metre load line ruling
- custom interior design project
- Semi-enclosed galley

Main deck with main saloon, formal dining area, fully equipped galley, day head and wheelhouse

Crew Accommodation:

- 2 x Crew cabins for 2 on stern with integrated bathroom

Crew mess, dinette and kitchenette

**MAIN EQUIPMENT**

Air conditioning. MARINE AIR variable capacity modular chiller - VARC 144 (2 x 72,000 BTU)

Hydraulic SLEIPNER bow thruster system. Model SP550/386TC-BA45 550kg thrust in a 386mm ID GRP tunnel

Hydraulic SLEIPNER stern thruster system. Model SP550/386TC-BA40 470kg thrust in a 386mm ID GRP tunnel

CMC Fin stabilization system providing effective means of stability when underway and significant roll reduction while at rest or anchor - CMC Stabilis Electra Fin stabilization system HS60 - 5kW 1.20 meter square fins

Combined Dometic XZ Watermaker and Softener - XZ1200/2000. Operable independently as either a watermaker, a softener or both, so will require a raw water and a freshwater feed

Extinguishing system using Novec 1230 extinguishing agent. The system is fully automatic incorporating main engine, generator and engine room ventilation shut-down with a mechanical manual over-ride pull in the side deck fire locker

MAN MMDS terminal box with display per engine in the engine room

Trailing Pumps. Used to supply oil pressure for gearbox lubrication during wind-milling situations, this may include running on one engine or when under tow

Engine room access door from Crew cabin. SEAGLAZE Series 28 Ocean heavy duty watertight door

Standby fresh water pump GIANNESCHI Ecoinox 2CE 24Vdc self-priming pump, pressure controlled. Standby pump fitted to enable both pumps to run at the same time if required

SEPAR FPS-210 Fuel polishing system to eliminate build-up of algae and water in the tank with 99.8 percent water and partial removal

MARCO portable electric transfer pump Oil change system for engines gearboxes and generators with quick coupling connection pipes

Hot water calorifier. SUREJUST horizontal 200 litre stainless steel cased tank with 3 x 2kW immersion heaters. 60 litre expansion tank

Hot water circuit ring main throughout the lower decks with permanently running AC circulation pump

Second Hot water calorifier. SUREJUST horizontal 100 litre stainless steel cased tank with 1 x 2kW immersion heaters

**ELECTRICAL EQUIPMENT**

2 x 35 kW KOHLER 35EFKOZD - 50Hz - 1500 RPM generators

Generator Hours: 1540 h (August 2024)

Shore power connection is via 1 x 100 Amp 250 Volt rated plugged flexible cable on a GLENDINNING Cablemaster motorized cable retraction system

Second shore power connection via 1 x 63 Amp 250 Volt rated plugged flexible 3-core cable at 20m

Automatic AC power management

2 x VICTRON 8 kW Quattro inverters to provide a regulated and uninterrupted supply to the Audio Visual and air handling systems and to boost generator output. Output Power 2 x 8kVA single phase 230V 50Hz

Domestic battery Bank - 8 x AGM domestic batteries located forward complete with 2 x domestic battery chargers to provide extended running of DC system

Automatic control system provides a constant monitoring of power used on all systems and utilises inverters to assist with power management on board

Isolation Transformer - 24kVA ENERGY SOLUTIONS. Ensures galvanic isolation from shore supply, minimises minor variations in shore supply voltage

## **NETWORK SYSTEM**

PEPWAVE router to provide access to the internet via Wi-fi or Cellular data and to allow the user to link to an available marina Wi-fi network. There are four wireless access points throughout the boat.

The boat can be fitted with up to 2 SIM cards (user supplied) to access the internet when in range of 3G/4G data signals.

Cellular signal booster antenna. SES install, SIB to run cables

## **APPLIANCES**

### Galley:

- Custom Galley Integrated Refrigeration. FRIGOBOAT G67290 with stainless-steel interior. 250 litres fridge capacity and 120 litres freezer capacity
- Additional under counter Custom galley integrated refrigeration by FRIGOBOAT - MS130 stainless steel drawer refrigerator
- Ceramic hob - MIELE KM7667FL 4 zone Induction hob in lieu of standard
- Extractor fan - MIELE DA2668 in lieu of standard
- Microwave oven - MIELE M7240TC in lieu of standard
- MIELE built-in coffee machine CVA 7840 in Galley. Position of built in coffee machine outboard
- MIELE Electric oven H7860BP stainless-steel / clean steel in lieu of standard
- MIELE full size dishwasher G7960 SCVi in lieu of standard
- Wine Cooler for 34 bottles - MIELE KWT6322 UG in lieu of standard

### Crew Mess:

- SHARP microwave R274 SLM
- DOMETIC Coolmatic CRX110 refrigerator with integral freezer box
- Upgraded separate MIELE washing machine and dryer
- Washing machine - MIELE WWV980 WPS Passion
- Tumble dryer - TWV680 WP Passion

### Flybridge:

- 2 x FRIGOBOAT MS130 stainless-steel drawer refrigerators with water cooled compressors
- Icemaker - HOSHIZAKI IM-30CNE
- Webasto ISOTHERM Cruise 36 24V 36 litre capacity drawer refrigerator with stainless-steel front
- Marine electric BBQ KENYON grill

### Aft Cockpit:

- Refrigerator - VITRIFRIGO C75LXMOB 75lt 24V. Water cooled unit with seawater pump
- Icemaker - VITRIFRIGO IM Classic Hydro

## Main Saloon:

- Fridge and freezer cabinetry

## **DECK EQUIPMENT**

Fresh water deck wash system

Spa tub with infinity glazing installation with built-in sunbathing on the flybridge aft deck

Flybridge hardtop, including retractable centre canopy and aft extending sun canopy

Hard top retractable centre canopy with material in Black exterior top with soft White mesh underliner

Hard top aft electric awning with material in Sunbrella Plus - Oyster 5030

Flybridge wetbar

Underwater lights. LUMISHORE TIX403 LED x 10 - Dual colour White / Blue. Four across the stern and three either side

3 x BESENZONI polished stainless steel bar stools for Flybridge wet bar. Bar stool base cushion upholstered in Sunbrella Natta - Graumel Chalk 10152 140 and back rest upholstered in Sunbrella Drops - Raincloud DRP J276 140 Side A

2 x LEWMAR V8 24V DC windlasses. Vertical gypsy and capstan drum. Manual hand wheel brake and devils claw chain stopper

1 x LEWMAR 80kg galvanised claw anchor

1 x LEWMAR 50kg galvanised claw anchor

2 x 130 meters of 12mm galvanized short link chain with anchor swivel

Rear camper with windows in Sunbrella Plus - Silver 5035

Aft cockpit covers package - Cockpit seating. All in Stamoid Light - Pearl Grey (Code 4128-10001)

Aft cockpit privacy screen - Electrically operated with screen in White 0202

Electric canopy to provide shade to the optional Transformer sunbeds with awning fabric in Oyster 32417

X-TEND sun-lounger. The platform forward locker doors to fold out electrically exposing two large sun-loungers. Alternatively the doors can fold up forming aft deck sun-loungers thus extending the cockpit space with the stern glazed safety rails bi-folding to the side. Sunbed material in HITCH - Seashell - HIT 8964

2 x LEWMAR C4 24V DC vertical stern capstan winches fitted port and starboard

Flybridge instrument cover in Stamoid Light - Pearl Grey (Code 4128-10001)

Windscreen cover in Black mesh

Fore deck covers package - Foredeck seating, sunpad and table covers. all in Stamoid Light - Pearl Grey (Code 4128-10001)

Flybridge Covers Package - Flybridge seating, sunpad, table and helm seat covers. All in Stamoid Light - Pearl Grey (Code 4128-10001)

Parasol with offset post with two sockets. One either side of the platform with shade colour in White 314010

Parasol with offset post with two sockets. One either side of the fore deck with shade colour in White 314010

## **OPTIONS INCLUDED**

Interior design – Custom made project

Wood Finish: Combination of Smoked eucalyptus figured high sheen satin with Silver Oak Low build open grain Satin

Additional under counter custom galley refrigeration

Dimmable VIMAR lighting switching on all overhead lighting

Fuel polishing system

Marine electric stainless steel BBQ grill with fold-out work stations

Pair of retractable cleats for tender on the platform

Portable oil change transfer pump

Second shore power connection

Separate washing machine and tumble dryer

Sprung mattress for all cabin beds

Teak decking on the flybridge

Twin anchor windlass arrangement

Two stainless steel drawer refrigerators on the flybridge

Hydraulic SLEIPNER stern thruster system

Air conditioning MARINE AIR chilled water system to Tropical specification and with quieter running WHISPER COOL DC fans

Upgraded both generators from 29 to 35 kW

Flybridge hardtop, including retractable centre canopy and aft extending sun canopy

SIMRAD Premium Package:

Main Helm Station:

- Main helm station:
- 2 x SIMRAD NSO Evo3 24" displays and OP50 keypad controllers
- SIMRAD 10" touchscreen controlling the Sunseeker monitoring
- SIMRAD Halo 6 Pulse compression radar 6' 72 NM
- SIMRAD GS25 GPS Antenna
- SIMRAD autopilot AP44 system
- SIMRAD RS90s VHF with DSC
- 2.4 m whip VHF antenna
- SIMRAD speed/depth transducer with water temp B744V and sonar hub
- SIMRAD structure scan 3D side scan transducers
- SIMRAD Automatic Identification System NAIS500 Class B AIS Transponder system with dedicated VHF and GPS receiver
- SIMRAD 110WX Ultrasonic wind sensor
- RITCHIE Helmsman HF-743B flush mount magnetic compass

Flybridge Console:

- 2 x SIMRAD NSO Evo 3 19" displays and OP50 keypad controllers
- 10" touchscreen controlling the Sunseeker monitoring
- SIMRAD autopilot AP44 system
- SIMRAD second station VHF with DCS
- RITCHIE Helmsman HF-743W flush mount magnetic compass

Main deck day head in lieu of standard cloakroom

Galley modified to a semi-enclosed arrangement with full height column, cabin door and sliding panels. Sliding panels with OPTI Bronze mirror

Wood flooring in saloon, dining and forward observation and helm with insert carpet for saloon seating group

Safe concealed in cabinetry (24.5 l W360mm x H190mm x D410mm for the Master stateroom)

Key locks for all the cabin doors

Dark tinted film to side windows and sliding doors

Main deck saloon sliding door on the port side

Galley pantograph style access door to the side deck

Panoramic sky-roof with electric blind

Electric canopy to provide shade to the optional Transformer sunbeds

Freshwater pressure washing of chain with directed outlet

Each anchor chain is to be marked every 10 meters - R.Y.B.W.G

Stern spring cleats located on the aft edge of the hull for stern mooring purposes

2 x Liferrafts 10-man canisters stowed in a stainless-steel frame on the deck

Extended sun-lounger Transformer sunbeds - Platform forward locker folding out electrically exposing two large sun-loungers. Alternatively the doors can fold up forming aft deck sun-loungers thus extending the cockpit space with the stern glazed safety rails bi-folding to the side

Foredeck seating cushions with optional electrically folding sunbed

Flybridge option with enlarged dining seating group with twin folding tables

Spa tub with infinity glazing installation with built-in sunbathing on the flybridge aft deck

Wetbar raised shelf bar top with LED lights

3 x Polished stainless-steel bar stools

Foredeck covers package - Foredeck seating, sunpad and table covers

Flybridge covers package - Flybridge seating, sunpad, table and helm seat covers

Aft cockpit covers package - Cockpit seating

Aft cockpit privacy screen - Electrically operated

Parasol with offset post with two sockets either side of the platform and foredeck trailing pumps. Used to supply oil pressure for gearbox lubrication during windmilling situations, this may include running on one engine or when under tow

CMC fin stabilization system providing effective means of stability when underway and significant roll reduction while at rest or anchor

Aft docking control station starboard cockpit with AVENTICS Marex OS 3 engine propulsion twin control levers dual station, MAN start-stop panel per engine, proportional bow and stern thruster control, horn button

Standby fresh water pump GIANNESCHI Ecoinox 2CE 24Vdc self-priming pump, pressure controlled. Standby pump fitted to enable both pumps to run at the same time if required

Second hot water calorifier for boats with 5 cabins or Spa tub. SUREJUST horizontal 100 litre stainless-steel cased tank with 1 x 2 kW immersion heaters

Combined DOMETIC XZ watermaker and softener - XZ1200/2000. Machine is operable independently as either a watermaker, a softener or both

Portable air compressor 230V AC with waterproof outlet in the platform locker

Wine cooler for 34 bottles - MIELE KWT6322UG

Icemaker - VITRIFRIGO IM Classic Hydro in the aft cockpit

Burglar alarm - superyacht system - sensors at all exterior access points with swipe type arming and disarming system

FLIR M364C thermal imaging camera to be supplied and fitted with joystick control at upper and lower helms
