Description

This FERRETTI 780 flybridge yacht for sale, expertly merges streamlined design, sleek lines, and sharp styling to meet the owner's desires for comfort, style, seaworthiness, and safety. Following a comprehensive restyling, the Ferretti 780 features extensive glazed surfaces in the hull, enhancing its sporty appearance. The yacht includes new furnishings, such as an enlarged bar in a central position within the standard layout, and offers redesigned interiors with options for classic or contemporary aesthetics.

Designed by renowned Zuccon International Project the FERRETTI 780 benefits from their extensive expertise. The naval architecture was developed by the Ferretti Engineering Department and is constructed with teak decks, a GRP planing hull, and a GRP superstructure, with CE certification class (A), allowing for open ocean navigation. Measuring 24 meters, this FERRETTI 780 motor yacht was built in Italy and delivered in 2024. A superb volume is found onboard this vessel inside and in outside deck spaces, thanks to her 54 gross tons and a wide beam of 5.8 meters.

Equipped with twin 1550 Hp MAN diesel engines, she reaches a top speed of 31 knots and a cruising speed of 27 knots, with a maximum cruising range of 380 nautical miles at full throttle.

The yacht comfortably accommodates in luxury and contemporary style, 8 guests in 4 en-suite staterooms, with 2 dedicated crew members attending to their needs. Guest accommodation comprises a full beam Master cabin, a forward double VIP and two twin cabins (one of them convertible to double).

This FERRETTI 780 yacht constitutes the perfect opportunity to purchase a formidable vessel, with low hours, transferable warranties and a comprehensive list of options at a discounted price.

Keen Seller - Early offers are highly encouraged.

- Left-side storage
- Lights on sidewalks
- Living area at the bow with sofa and storage
- 4 x Mooring lines 18m (59' 1") and mooring lockers with cleat GRP cover
- Perimetrical curtain rod for canopies
- Pull handles for engine and generator shutdown, fire extinguishing system activation
- Shoreline cable (230V, 15m)
- Shower with hot/cold water at the transom
- Sintered teak aft steps
- Stainless steel deck hardware
- Stainless Steel Mooring Cleats: 4 x Stern, 2 x Midship (each side), 3 x Bow
- Sunlounge pad at the bow with sunbathing cushions and storage
- Teak deck floor
- Telescopic stainless steel and teak gangway with 2 x remote controls for the electro-hydraulic movement
- 2 x Waterproof loudspeakers
- Full HD TV (43")

SALOON

- Aft tempered glass sliding door with stainless steel frame
- Air conditioning
- Cabinet with shelves
- Fully fitted carpets
- Hi-Fi system home cinema 5+1
- Salon area L-shaped sofa, smoking table
- Simple Roman blinds
- Standard curtain (aft sliding door)
- Additional loudspeakers at the bow with stereo

DINING AREA

- Access to galley area (swing door)
- Access to main helm position (door)
- Access to the lower deck (wooden staircase)
- Air conditioning
- Cabinets with shelves
- 8 x Chairs and dining table
- Exit to deck (side door)
- Fully fitted carpets
- MIELE upgrade for all appliances:
- Combi oven with microwave function 60 x 45cm
- MIELE cooking and dishwasher
- Drawer refrigerator in salon with boat wood panel

GALLEY

- Access to the dining area (swing door)
- Air conditioning
- Cabinets with shelves
- Ceramic cooking top
- Complete set of ceramic crockery, plates, glasses, and stainless steel cutlery (for 12 people)
- Dishwasher and electric/microwave combined oven
- External ducted extractor fan (230V)
- Fridge and freezer (671V, 230V, 24V through inverter)
- Overhead lockers
- Side window with electric opening
- Stainless steel sink (hot and cold water)
- Venetian metal blinds
- Vinyl floor
- Work countertop

MAIN HELM POSITION

- Access to the deck (side door) and dining area (door)
- Air conditioning
- Automatic pilot control unit
- Barometer, clock, and hygrometer
- Cigarette lighter (12V outlet)
- Control station with full instrumentation
- Electro-hydraulic power steering
- Electronic controls for engine clutch and throttle (easy-dock and auto-troll functions)
- Electronic digital chain counter
- Fully fitted carpet
- Integrated monitoring system (touch-screen, integrated with navigation system)
- Digital Manual on iPad
- Magnetic compass
- 3 x Multifunction touch display for navigation system (radar, chartplotter, GPS, echosounder, engine data)
- Pilot seat with folding capability
- Rudder angle indicator (integrated with navigation system)
- Shelves
- Side exit door with an openable window
- Awning system with carbon poles on the bow
- Sofas with table
- Storage compartment
- Synoptic switchboard with visual and acoustic alarms
- VHF
- 2 x Windshield wipers with washers and timer

- Protective cover for bow living area

FLYBRIDGE

Structure:

- Access to the cockpit via GRP, stainless steel and teak steps with stainless steel handrail
- Cockpit stairs skylight with stainless steel handrail
- Covers for helm console, helmsman seat, sun pad, and sofa
- Diurnal navigation
- Flag pole
- Freestanding sofas
- Fully fitted cabinet with storage and sink
- GRP roll-bar
- Housed life buoy with a floating lifeline and luminous buoy

Safety Equipment:

- 12 x Life jackets
- 2 x Liferrafts for 6 people

Lighting and Navigation:

- Lights on the fly
- Navigation lights
- Plexiglass wind deflector
- Portable spotlight (1/2 mile range, 12V)
- Radome radar
- Stainless steel handrail at the stern
- Stainless steel signal/flag mast

Amenities:

- Sunlounge pad with sunbathing cushions
- Table
- TV antenna
- Warning horn with compressor
- 2 x Waterproof loudspeakers

FLYBRIDGE HELM POSITION

Instrumentation:

- Analog engine data indicator (rpm, water temperature)
- Cigarette lighter (12V outlet)
- Electro-hydraulic power steering
- Electronic controls for engine clutch and throttle (easy-dock and auto-troll functions)
- Electronic digital chain counter

Audio and Display:

- Mini Hi-Fi (watertight) with USB socket
- Multifunction touch display for navigation system (radar, chartplotter, GPS, echosounder, engine data) repeater

Seating and Controls:

- Pilot seat with life-raft storage
- Rudder angle indicator
- Second control station with instruments and alarms
- VHF radio

LOWER DECK

Lobby:

- Access to the main deck area through wooden steps
- Fully fitted carpet on the floor
- Wine cooler in lower deck staircase

Master Cabin:

- Air conditioning
- 2 x Bedside cabinets with drawers
- Cabinet with dressing table and mirror
- Cabinets with shelves
- Door to bathroom
- Double bed with mattress, pillows, and bedspread
- Drawers underneath the bed
- Fully fitted carpet
- 2 x Hull windows with side openable stainless steel porthole and roll-up cover
- Mini Hi-Fi with 2 loudspeakers and USB socket
- Mirror
- Ottoman
- Safe
- Simple Roman blinds
- Sofa (2 seats)
- Soundproof bulkhead abaft
- 2 x Table lamps
- TV (SMART 32" or equivalent)
- Upholstered bed headboard
- Ventilation under the bed
- Walk-in wardrobe with inside mirror and shelf

Master Bathroom:

- Cabinets
- Door to the master cabin
- Electric WC
- Hull window with openable porthole in stainless steel
- Mirrors
- Overhead lockers and shelves
- Roll blind
- Shower with glass door

- Undercounter sink
- WC control panel with gauge (3/4 and full)
- Wooden flooring

VIP Guest Cabin (at bow):

- Cabinets
- Double bed with mattress, pillows, and bedspread
- Drawer underneath the bed
- Escape hatch
- Fully fitted carpet
- 2 x Hull windows with stainless steel porthole
- Mirror
- 2 x Reading lights
- Simple Roman blinds
- TV outlet and 230V sockets
- Upholstered bed headboard
- Ventilation under bed
- 2 x Wardrobes

Guest Cabin (Port):

- 2 x Beds with mattress, pillows, and bedspread
- Bedside table with drawer
- Drawers underneath the bed
- Fully fitted carpet
- 2 x Hull window with openable stainless steel portholes
- Reading lights
- Simple Roman blinds
- Ventilation under beds
- Wardrobe with inside mirror

Guest Cabin (Starboard):

- 2 x Beds with mattress, pillows, and bedspread
- Bedside table with drawer
- Drawers underneath the bed
- Fully fitted carpet
- 2 x Hull window with openable stainless steel portholes
- 2 x Reading lights
- Simple Roman blinds
- Ventilation under bed
- Wardrobe with inside mirror

Guest and VIP Bathrooms:

- Electric ceramic WC
- Hull window with openable stainless steel porthole
- Mirror
- Overhead lockers and shelves

- Roll blind
- Shower with glass partition
- Undercounter sink
- WC control panel with gauge (3/4 and full)
- Wooden flooring

CREW AREA

Crew Bathroom:

- Electric marine WC
- Handheld shower with waterproof curtain
- Mirror
- Shelves
- Washbasin
- WC control panel with gauge (3/4 and full)

Crew Cabin:

- 2 x Bed with mattress, pillows, and bedspread
- Cabinets with shelves
- Curtain
- Fully fitted carpet
- 2 x Reading lights
- Stainless steel openable porthole
- Wardrobe

Lobby in Crew Area:

- Access to engine room (watertight door)
- Access to the main deck (fiberglass door, stainless steel, and teak ladder)
- Fully fitted carpet
- Main electric panel
- Storage area
- Washer and dryer machine

TECHNICAL AREA

Engine Room:

- Access to cockpit (hatch)
- Access to crew area (watertight door)
- Additional boiler

Features:

- 2 x Air intakes with air/water separator
- Anti-slip wooden flooring
- Bilge pump
- 2 x Changeover valves for engine bilge water pumping
- 2 x Electric ventilation fans
- Engine room lighting (230V and 24V)

- Fuel tank gauge
- Generator (17.5 kW)
- Inert gas fire extinguishing system (automatic/manual control)
- Portable lamp with roll-up cable
- 2 x RACOR fuel filters for engines
- 2 x Raw water engine filters
- Silenced exhausts
- Stainless steel fuel tanks with integrated settling tank and discharge 5,000 l (1,321 US gal)
- Tap for freshwater
- Water filter for generator cooling system
- Watertight aft soundproof bulkhead
- Watertight forward soundproof bulkhead

PROPULSION AND CONTROL EQUIPMENT

- Bow thruster (20 Hp)
- Electro-hydraulic power steering
- Shaft line transmission
- Stabilization systems
- Trim tabs (FAPS)
- XENTA docking system

ELECTRONIC EQUIPMENT

Communication:

- 2 x VHF radios
- Antenna for TV SAT cabling in cabins
- Premium internet package (5G)

Monitoring System:

- Integrated monitoring system with touch-screen (integrated with navigation system)
- Automatic pilot at main helm position
- 3 x Multifunction touch displays for the navigation system (radar, chartplotter, GPS, echosounder, engine data)
- Multifunction touch display repeater for navigation system
- Radome radar

SYSTEMS

Fire Extinguishing System:

- Inert gas fire extinguishing system in the engine room with automatic/manual control
- Portable fire extinguishers
- Pull handles in the engine room (for engine and generator shut down, activation of fire extinguishing system)
- Smoke detection alarm system

Air Conditioning System:

- Super Tropical air conditioning system (saloon, dining area, galley, master cabin)

Electric System:

- Automatic battery charger for engine batteries (24V)
- Bank of batteries for service (24V)
- Battery chargers (2) for auxiliary service batteries, complete with a switch to charge bow thruster (24V)
- Battery disconnecting switches: mechanical (engine room) and electronic (cockpit)
- Bow thruster battery group (24V)
- Cathodic protection with anodes
- Electric outlets throughout
- Engine batteries (24V)
- Generator (17.5kW)
- Generator battery (12V)
- Internal/External boat LED lighting (24V)
- Inverter (24V DC / 230V AC for refrigerator)
- Mechanical electric battery parallel (cockpit)
- Shore plug (63A, 230V)

Bilge System:

- 5 x Bilge pumps (engine room 2, crew 2, center)
- Electric pump for bilge drainage in the engine room
- Emergency bilge suction pipe (engine room) through engine cooling pump
- Multipurpose pump (bilge, grey water, black water)

Sanitary and Water Systems:

- Automatic electric pump for grey water discharge system
- Electric WC system with fresh water
- Freshwater autoclave pump
- Fresh Water Capacity: 1,050 l (277 USG)
- Grey Water Tank 1,355 l + 61 l (374.1 USG)
- Holding Tank: 355 l with gauge 3/4 and full (93.8 USG)
- Hot water system with water heater 180 l, 230V (47.6 USG)
- Sea water firefighting system and chain wash down
- Wastewater system with automatic electric and manual pump

Navigation System:

- Full SIMRAD Navigation System
