## Description

The 115' 6" PRINCESS 35M motor yacht offers exceptional versatility, making it the perfect choice for a range of activities - whether you're seeking an island-hopper, a day cruiser, a place to host family and friends, or a HomeAway retreat for long cruises. It adapts seamlessly to any occasion, with a variety of spaces designed to meet different needs. The yacht features an array of outdoor spaces, including a sundeck, forward sunbathing area, and swim platform, as well as a rare fold-down balcony in the main saloon, offering a closer connection to the water.

Inside, the chic and sophisticated Zuretti-designed interior is stylish and welcoming. It combines neutral tones with an abundance of natural light streaming through large windows, creating a bright and airy, calm and elegant atmosphere throughout the yacht.

The main saloon includes a spacious seating area and a formal dining table, ideal for hosting family or friends for special occasions. Unlike most yachts of its size, it boasts a fold-down balcony to starboard side, offering uninterrupted views and a closer connection to the water.

The yacht comfortably accommodates 10 guests in 5 en-suite staterooms. With a spacious full-beam Master suite forward on the main deck that includes a walk-in wardrobe and en-suite bathroom with a bathtub. Additionally, two double VIP cabins, another double cabin and a convertible twin cabin offer flexible accommodation options on the lower deck.

The expansive sundeck includes a bar, a large dining table, and a Jacuzzi, while the forward area provides a generous relaxation space with ample seating, sun pads, and parasols for shade. The serene seating area forward is ideal for quiet moments of relaxation, while the expansive sundeck provides the perfect setting for socializing and entertaining.

Additionally, the large swim platform allows easy access to the water when anchored, perfect for cooling off on warm summer days.

This sumptuous condition PRINCESS 35M flybridge yacht for sale, presents a unique opportunity for buyers seeking a vessel with strong revenue potential, thanks to its commercial registration. Having completed a 5-year RINA Class survey in April 2022, and easily operates throughout the Mediterranean.

Powered by performant twin 2640 Hp MTU diesel engines, she reaches a top speed of 23 knots, a cruise speed of 19 knots and a maximum range of 1,800 nautical miles at her economical speed of 10 knots; the whole package providing a stable and comfortable cruising experience.

Built by Princess Yachts in Devon, UK, in 2017, this PRINCESS 35M Superyacht transitioned from the English Riviera to the French Riviera, where it fits perfectly into its new surroundings. Consistently maintained with regular annual shipyard periods, she remains in excellent condition and is ready for cruising next summer.
