Description

Distinctively cool whilst propelling you to an exhilarating 39 knots, the all-new PRINCESS S78 is the flagship of the Princess S Class. Her sportbridge inspires relaxation with a range of exclusive furnishings to choose from and seating areas that convert into sun loungers. Unique central access from her hydraulic bathing platform to the cockpit passes between twin sunpads whilst her foredeck features innovative seating with sunpads which can be converted to create additional aft facing seats. The perfect ambience is ensured across her sportbridge, saloon, cockpit and master cabin, where the world-class Naim Audio sound system comes installed as standard. Refined and captivating, she's more than everything you would expect from the largest Princess S Class.

Experience traditional craftsmanship reinvented throughout her integrated interior. Ambient lighting plays a supporting role behind furniture, feature panels and through flooring. A cavernous main deck saloon seamlessly connects you to the world outside through full length side windows.

The panoramic saloon, bathed in light, features ample comfortable seating, together with a fully equipped galley positioned aft, which conveniently opens up to the exterior aft cockpit.

Her well-equipped and ingeniously positioned galley surpasses the highest of expectations whilst her dining area delivers a sense of versatile space with an ingenious sliding glass table.

Below deck, 8 guests enjoy 4 beautifully appointed en-suite cabins all bathed in natural light from the PRINCESS S78's elegant and expansive glazing, with a further aft cabin for occasional guests or 2 crew.

Powered by twin 1900 Hp MAN Diesel engines with low running hours, this PRINCESS S78 Sportbridge yacht reaches the exhilarating speed range of 37 to 39 knots.

This PRINCESS S78 for sale boasts an exceptionally high build specification featuring zero speed gyro stabilization, hydraulic bathing platform, bow and stern thrusters with joystick control, 3rd control station in the cockpit, YachtController, tender garage, electric opening saloon roof, watermaker, dual generators, Williams tender and underwater lights, one of the highest specifications on the market.
