Description

27.1m Sunseeker 90 Ocean Yacht for sale.

This 27.1m SUNSEEKER 90 OCEAN ‘crossover yacht’ for sale is under the 24 meter load-line length and celebrates the very best that the British shipyard has to offer, recognising excellence in design, innovation and performance. Her upright stem that creates a brand new Sunseeker silhouette with seductive lines, cutting through the water.

A very innovative stern and the vast space on the main deck characterize this modern flybridge yacht. Her spacious beach club, measuring over 6m x 4m is perfect for family and friends to socialise close to the water, perhaps utilising the built-in BBQ. The Bezenzoni ‘Ladder Gangway’ allows guests to effortlessly access the watersports on offer, after which they will be keen to use the oversized ‘rain shower’ before relaxing on the new transformational X-TEND™ sunbeds.

On the stern, the hydraulic platform provides ample space to house and launch a jet-ski, a Williams 460 SportJet and SeaBobs, housed in dedicated self-draining lockers. The flybridge is a staggering 25% larger than a comparable luxury yacht, and owners can benefit from an infinity spa pool and sideboard with a second integrated BBQ. A wet bar with stainless steel sink, drawer fridges, ice maker, and glass bar top is also available to make the most of this popular entertainment area. The carbon fibre hardtop with a full-width retractable canopy provides the shade for exceptionally generous seating, sunbathing, lounging and dining area, along with the sizeable flybridge wetbar and panoramic helm station.

Comfortably accommodating 8 guests in 4 en-suite staterooms, comprising a full beam Master suite, a forward VIP and two convertible twins, this SUNSEEKER 90 OCEAN yacht for sale is finished with exquisite taste, with a comprehensive list of options.

Powered by the upgraded twin 1900 Hp MAN V12 Diesel engines on shaft drives, she reaches a top speed of 26 knots, a cruising speed of 24 knots, while she has a significant range of 1050 nautical miles at her economical speed of 10 knots. The engines include extended warranty until June 2027.

With a keen seller, early viewings and offers are highly encouraged.

The yacht shall be coded commercial for the 2025 summer season.

KEY FEATURES

- Turn-key condition
- Privately owned with minimal wear and tear on the vessel
- Maintained to the highest standards by a dedicated Owner
- Vast flybridge with bar, large jacuzzi with infinity glazing and sunpads

Crew mess, dinette and kitchenette

Ship's Safes: DOMETIC MD363 in Master suite

MAIN EQUIPMENT

Air conditioning. MARINE AIR variable capacity modular chiller - VARC 144 (2 x 72,000 BTU) Tropical

Hydraulic SLEIPNER bow thruster system. Model SP550/386TC-BA45 550kg thrust in a 386mm ID GRP tunnel

Hydraulic SLEIPNER stern thruster system. Model SP550/386TC-BA40 470kg thrust in a 386mm ID GRP tunnel

CMC Fin stabilization system providing effective means of stability when underway and significant roll reduction while at rest or anchor - CMC Stabilis Electra Fin stabilization system HS60 - 5kW 1.20 meter square fins

Combined 2 x IDROMAR watermakers

Extinguishing system using NOVEC 1230 extinguishing agent. The system is fully automatic incorporating main engine, generator and engine room ventilation shut-down with a mechanical manual over-ride pull in the side deck fire locker

MAN MMDS terminal box with display per engine in the engine room

Trailing Pumps. Used to supply oil pressure for gearbox lubrication during wind-milling situations, this may include running on one engine or when under tow

Engine room access door from Crew cabin. SEAGLAZE Series 28 Ocean heavy duty watertight door

Standby fresh water pump GIANNESCHI Ecoinox 2CE 24Vdc self-priming pump, pressure controlled. Standby pump fitted to enable both pumps to run at the same time if required

SEPAR FPS-210 Fuel polishing system to eliminate build-up of algae and water in the tank with 99.8 percent water and partial removal

MARCO portable electric transfer pump Oil change system for engines gearboxes and generators with quick coupling connection pipes

Hot water calorifier. SUREJUST horizontal 200 litre stainless steel cased tank with 3 x 2kW immersion heaters. 60 litre expansion tank

Hot water circuit ring main throughout the lower decks with permanently running AC circulation pump

Second Hot water calorifier. SUREJUST horizontal 100 litre stainless-steel cased tank with 1 x 2kW immersion heaters

ELECTRICAL EQUIPMENT

2 x 35 kW KOHLER 35EFKOZD - 50Hz - 1500 RPM generators

Generator Hours: 780 h (March 2024)

Shore power connection is via 1 x 100 Amp 250 Volt rated plugged flexible cable on a GLENDINNING Cablemaster motorized cable retraction system

Second shore power connection via 1 x 63 Amp 250 Volt rated plugged flexible 3-core cable at 20m

Automatic AC power management

2 x VICTRON 8 kW Quattro inverters to provide a regulated and uninterrupted supply to the Audio Visual and air handling systems and to boost generator output. Output Power 2 x 8kVA single phase 230V 50Hz

Domestic battery Bank - 8 x AGM domestic batteries located forward complete with 2 x domestic battery chargers to provide extended running of DC system

Automatic control system provides a constant monitoring of power used on all systems and utilises inverters to assist with power management on board

Isolation Transformer - 24kVA ENERGY SOLUTIONS. Ensures galvanic isolation from shore supply, minimises minor variations in shore supply voltage

NAVIGATION & COMMUNICATION EQUIPMENT

SIMRAD GS25 gyrocompass

SIMRAD AP 44 autopilot

SIMRAD AP 44 log

SIMRAD NSO3S MFD24 echo sounder

NSO24 EVO3S MFD chart plotter

SIMRAD AP 44 GPS

SIMRAD AIS

AIRMAR WX Series wind instrument

SIMRAD RI12 Halo radar

SIMRAD chart plotter repletion screen in Captain’s cabin

EPSON printer

ENTERTAINMENT & CONNECTIVITY EQUIPMENT
