Description

116’ Bee Yacht 35M Explorer for sale.

This brand-new 116’ BEE YACHT 35M EXPLORER for sale is a steel and aluminium expedition yacht by design, coupled with a sophisticated and contemporary interior. Built in 2025, she offers sustained and comfortable cruising. This Exploration vessel is built on a robust displacement steel hull with aluminium superstructure and teak-laid-decks with an impressive volume of 299 Gross Tons.

Powered by twin 715 Hp Caterpillar Diesel engines, she reaches a maximum speed of 13 knots, a cruise speed of 11.5 knots and has impressive range of up to 4,000 nautical miles at her economical speed of 10 knots.

The BEE YACHT 35M EXPLORER’s exterior design prioritises functionality alongside aesthetics, ensuring the Owner's comfort and safety alongside light and uninterrupted sea views on board.

The main deck aft is carefully structured to facilitate easy movement throughout with free standing furniture engineered to meet any requirement. There is easy access to the water via med-steps to port and starboard and a transformer on the main platform, with the integrated swimming pool looking over the platform.

Moving towards the interior, the main saloon offers ample seating and a spacious dining area. Sliding doors ensure easy transition between indoor and outdoor spaces, while strategically positioned low bulwarks optimise panoramic sea views.

The Master suite, located forward on the main deck, uses materials such as Light Oak and White Lacquer, complemented by brushed steel details and accents of blue. The other 4 guest staterooms are on the lower deck, with design incorporating Dove Grey Leather headboards and Greige leather accents, ensure comfort and privacy, each featuring an en-suite bathroom. In total, this Exploration vessel comfortably accommodates 10 Guests in 5 en-suite staterooms, with 4 crew cabins for 6 crewmembers.

The wheelhouse, surrounded by expansive windows, is equipped with state-of-the-art navigation and communication systems to ensure optimal safety and precision navigation.

In the galley, meticulous attention is paid to functionality and efficiency. Positioned away from guest areas, it features top-of-the-line equipment, enhancing convenience for onboard culinary operations.

The upper deck and sundeck are engineered to provide ample space for guest entertainment and relaxation, equipped with amenities such as a large dining table, a lounge area, a fully equipped bar, and seating arrangements under sun awnings.

Built at the ART Shipyard in Turkey, BEE YACHT 35M EXPLORER’s design, led by Sergio Cutolo’s Hydrotec, integrates luxurious styling with robust engineering principles. Michele Dragoni, who has been working for more than 16 years as Chief Yacht Designer, has given life to the interior design. In his own words, “*She is trendy, modern, comfortable and open to the landscape. And the general feeling of the interior is characterised by very clear, light and elegant materials, from the light brushed oak wooden floor to the white lacquered ceilings*”.
