Description

139' Mondomarine SF42 Aluminium Superyacht for Sale.

Launched in Italy in 2015, this MONDOMARINE SF42 Superyacht for sale is a 139' displacement motor yacht that blends timeless elegance, cutting-edge technology, and unparalleled comfort, thanks to her impressive volume at 496 gross tons.

With naval architecture masterpiece by Mondomarine and exterior/interior design by Luca Vallebona, this MONDOMARINE SF42 motor yacht is crafted entirely in aluminium and is designed to seamlessly navigate both US and EU waters.

MCA Coded and Commercially Registered without limitations, despite being charter-ready, this yacht has been exclusively used, ensuring its pristine condition, she offers exceptional performance and versatility.

What truly sets the MONDOMARINE SF42's tri-deck yacht apart is her thoughtful layout and one-of-a-kind features. For those seeking relaxation and adventure, there's a large infinity Jacuzzi aft on the sundeck, while the beach club on this luxury superyacht provides a dedicated space for guests to fully take in the scenery and enjoy the ocean environment. Plus, with a transformer-style bathing platform aft, and a hydraulic side boarding ladder, access to the water is effortless

The yacht's interior design creates a chic, colourful and contemporary ambiance throughout, with Luca Vallebona utilising a wide range of colours and textiles to achieve the end result. The expertly diverse colour palettes and themes are demonstrated in the contrast between guest and Owner staterooms.

Her main saloon is a testament to innovation and luxury, featuring a central cabinet with up/low TV and fireplace, and full-height sliding windows to access side balconies for a seamless connection with the sea. There's also a formal dining area forward of the main saloon where a mirrored wall creates the illusion of even more space.

The yacht can comfortably accommodate up to 12 guests across five luxurious en-suite staterooms, including a spectacular split-level Owner's suite forward on the upper deck, with two terraces and a private cinema on the skylounge. The rest of the guest accommodation comprises 2 large VIP suites and two twin cabins, all of which can be found on the lower deck.

Powered by twin 1920 Hp MTU diesel engines, this MONDOMARINE SF42 yacht reaches a top speed of 16.5 knots, cruises comfortably at 14 knots and has a range of 4,500 nautical miles at her economical speed of 10.5 knots.

Meticulously maintained with significant budgets spent on upkeep and detailing, under the supervision of a dedicated full-time professional crew, the yacht has been preserved to perfection.
