Description

New 23.7m Ferretti Infynito 80 Motor Yacht for Sale.

This brand-new 23.7m FERRETTI INFYNITO 80 motor yacht for sale for immediate delivery, showcases Ferretti's next-generation approach to volume, efficiency and low-impact navigation. With exterior design by Filippo Salvetti and contemporary interior design by Ideaeltalia, the yacht features a panoramic main deck, expansive flybridge and the innovative foredeck signature "All-Season Terrace".

Ferretti's INFYNITO range is changing the paradigm of semi-displacement vessels, boasting enhanced space utilization, a versatile layout, increased volume, efficient performance, and a truly eco-sustainable soul with the Group's F.S.E.A. technology (Ferretti Sustainable Enhanced Architecture).

Sustainability criteria, more covered exterior surface area and continuity between interiors and exteriors are the key features of INFYNITO 80 flybridge yacht, enabling Owners to enjoy the yacht in all seasons and weather conditions.

The hallmark of the range is its iconic covered forward terrace, sheltered by an extension to the superstructure for protection in all weather conditions and total privacy. Her expansive flybridge volume provides inequivalent open space in direct contact with the sea, the surrounding environment and the sun.

INFYNITO 80's interior design builds on the sustainability solutions, which are the key point of this range. From lamellar teak and eco-friendly paints to regenerated leather and other recyclable materials, everything is designed to offer a yachting experience that fully respects the environment. There is also a special focus on the use of green materials, such as natural and bamboo fabrics, regenerated leather and recyclable materials.

The iconic Ferretti Yachts moods mark also Ferretti Yachts INFYNITO 80. Contemporary, featuring glowing woods and fabrics in fresh hues inspired by the colours of the sea. This mood creates a sophisticated aesthetic in functional and efficient spaces designed for Owners who increasingly see their yacht as a new place to live in, as if it were an extension of their home.

An 'end-to-end' main deck interior with an open space concept, offering nearly 360 degrees of enjoyable panoramic views. This design maximizes the feeling of spaciousness and connection to the surrounding environment, providing an ideal setting for relaxation and entertainment.

With a versatile 4-en-suite-cabin layout, the yacht comfortably accommodates up to 8 guests, with further accommodation for 4 crew. The whole accommodation is located on the lower deck.

Powered by twin 1400 Hp MAN V12 Diesel engines, the yacht reaches a top speed of 22 knots and comfortably cruises at 17 knots, while maintaining efficient fuel consumption. She can achieve a range of 1,000 nautical miles at an eco-cruising speed of 11 knots, ensuring both speed and sustainability.

This 2026-model FERRETTI INFYNITO 80 is available for immediate delivery with advanced comfort specification including stern beach club and hydraulic swim platform, flybridge sun awnings, gyro stabilisation, refined interior upgrades and comprehensive premium navigation and entertainment packages.
